Virginia Domestic Relations Handbook John E. Byrnes, Margaret F. Brinig, 2025

Fathers' Rights James Gross, 2006-10 Millions of fathers are currently fighting for custody of their children. Many wonder if they will ever again be an important part of their children's lives. Fathers' Rights covers every aspect of the custody process, including protecting the parent/child relationship as a break-up occurs, determining when to settle and when to litigate and explanations concerning the court's determination of a fair level of child support. This new edition updates the ever-changing laws in this area and expands into additional topics of importance concerning paternity issues and fathers serving in the armed forces. Numerous court cases are used as examples to illustrate relevant situations. An extensive list of resources including agencies, organizations and websites is included as easy reference for the reader.

Handbook on Child Support Enforcement , 1989

Marital Agreements Linda J. Ravdin, Tax Management Inc, ... describes and analyzes three types of agreements: premarital agreements, postmarital agreements, and domestic partnership agreements. A premarital agreement is a contract between prospective spouses, including same-sex couples, made in contemplation of marriage. A postmarital agreement is a contract executed by parties to an ongoing marriage and not incident to a divorce or marital separation. A domestic partnership agreement, sometimes known as a cohabitation agreement, is a contract executed by a couple whose domestic arrangements may not be state-sanctioned. However, the term also includes such an agreement executed incident to a civil union or registered domestic partnership. Generally, all of these agreements are used to define the property and support rights of the parties upon termination of the marriage or other relationship by death or dissolution. Some parties also opt to include financial obligations during the marriage or other relationship. This Portfolio does not cover separation agreements that settle property rights, spousal and child support obligations, and child custody matters incident to a separation or divorce--Portfolio description.

A Promise to Ourselves Alec Baldwin,2009-10-13 A New York Times Bestseller “I have been through some of the worst of contentious divorce litigation,” Alec Baldwin declares in A Promise to Ourselves. Using a very personal approach, he offers practical guidance to help others avoid the anguish he has endured. Alec Baldwin is one of the most successful actors in the world today. His relationship with Kim Basinger, the Academy Award-winning actress, lasted nearly a decade. They have a daughter named Ireland, and for a time, theirs seemed to be the model of a successful Hollywood marriage. But in 2000 they separated and in 2002 divorced. Their split—specifically the custody battle surrounding Ireland—would be the subject of media attention for years to come. Baldwin has seen the heavy toll that divorce can take. He has been extensively involved in divorce litigation and has witnessed the way that noncustodial parents, especially fathers, are often forced to abandon hopes of equitable rights when it comes to their children. He makes a powerful case for reexamining the way divorce and child custody is decided in this country and levels a scathing attack at what he calls the “family law industry.” This is an important, informative, and intimate book on a contentious subject that offers hope of finding a better way.
