Janet Jackson Craig Halstead,Chris Cadman,2010 By the best selling authors of 'Michael Jackson: For The Record' Janet Jackson was born on 16th May 1966 in Gary, Indiana - she was just three years old when five of her older brothers, as the Jackson 5, scored their first hit: I Want You Back. Janet's first, self-titled, album was released in 1982 when she was 16 years old, but her input to it was minimal. Not until her first marriage, to James DeBarge, was annulled in November 1985 did Janet sit down, to think seriously about her future direction - and, to her surprise, she realised more than anything she wanted to make music. Decision made, Janet bravely took the first big step on the road to taking control of her own destiny. She fired her manager: her father. Instead, against her father's advice, she teamed up with James 'Jimmy Jam' Harris III & Terry Lewis - formerly members of Prince's band The Time - and the rest, as the saying goes, is history.

Vince Guaraldi at the Piano, 2d ed. Derrick Bang, 2024-05-15 Although Vince Guaraldi's playful jazz piano themes for the early Peanuts animated television specials are well known, the composer himself remains largely unheralded. More than merely the Peanuts guy, Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman, and garnered Top 40 fame with his Grammy Award-winning hit Cast Your Fate to the Wind. This career study, extensively updated, gives Guaraldi long-overdue recognition, chronicling his years as a sideman; his attraction to the emerging bossa nova sound of the late 1950s; his collaboration with Brazilian guitarist Bola Sete; his development of the Grace Cathedral Jazz Mass; his selection as the fellow to put the jazz swing in Charlie Brown's step; and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s. Ironically, his place in the jazz universe has grown exponentially since this book's initial 2012 publication, and this second edition acknowledges such honors and features a wealth of new material.
