**The 6 Figure Cleaning Business Master Class** Victoria Amador, 2017-11-09 Who is this material designed for? This manual includes all my knowledge on how to start and grow a million-dollar cleaning company in a short amount of time. This is not a for lazy people looking to make a quick buck. This is for serious cleaning business owner ready to grow their companies to millions of dollars. Here I include all the information I provide on my video course found at [www.tremendouslife.com](http://www.tremendouslife.com) called The 6 Figure Cleaning Business Master Class which is a video class explaining in detail all the content you'll see in the screenshots throughout this manual. I have also included all the content from my previous ebook where I discuss all the lessons I have learned throughout the years. Disclaimer: I am not a writer so you'll probably notice lots of grammatical errors and sentence composition issues so this book is not for those looking to read a book for pleasure - THIS is a manual and lots of material that are not meant to flow like a book....this is FOR THOSE READY TO TAKE ACTION AND APPLY WHAT WE DISCUSS HERE TO EARN MONEY strategically and consistently. What's included: \* Over 70% of all the materials provided in the cleaning business master class available on [tremendouslife.com](http://tremendouslife.com), \* How to start a cleaning business\* Cleaning proposal / quote sample\* Websites mistakes and lessons learned\* Getting your first customers\* Direct marketing can be a waste of time\* Operational procedures\* Advice to hire your first employees\* SWOT analysis\* How to calculate pricing for your accounts\* How to fire employees and clients\* Marketing tips to earn over 6 figures\* Process mapping to improve your cleaning business\* Google listing tips\* Customer service templates from asking for feedback to asking for payment for services rendered\* Email marketing samples\* How to ask for payments consistently with our templates\* Telephone questionnaire \* Screenshots of excel files from the class (if you want the actual excel file with forecasting and HR tools the only way is to purchase the video class)\* And much more! Visit [tremendouslife.com](http://tremendouslife.com) to get an idea on what the actual course is all about or just read this book -either way you'll be ahead of most 99% of all others thinking or already owning a cleaning business. I have friends that have been in the cleaning business for 10 years and still have not achieve revenues over a half million...reasons are many but the number one reason I've noticed is that they have not systems in place. You can run a successful company without proper systems and yes you do need a system for everything even for ordering supplies, answering the phone, responding to emails, your sales and marketing, training and human resources system to even how you dress (uniforms), speak to your clients and much more!

*Selling Contract Cleaning Services 101* Richard D. Ollek CBSE,2008-08-25 When you are a new company or a young company wanting to grow and build a profitable, vibrant organization, it can be so difficult finding the time AND the dollars to move forward. This book gives you the systems and methods by which you can become a major player in the marketplace. The systems and processes outlined in this book have been used by the author to build a successful company and now he shares them with you. You don't necessarily need a lot of dollars, but you do need a lot of commitment to make it happen. Commitment in right areas and with the right direction may be all you need. Pay particular attention to chapter 14 as it can change the way you view yourself and your company. Just as importantly, it may just change the way your prospects and customers view you and your organization. Wanna make it happen? Let's get started.

**Commercial & Residential Cleaning Services** Walter Fenix,2002 Title: Cleaning Services Bid Estimation: Subtitle: A Resource Guide To Cleaning Services Bid Estimating, Work Loading And Cost counting (Charts, Tables And Worksheets For Cleaning Times, Production Rates, Price Per Square Foot, Work Loading, Cost Accounting And Pricing/ Bid Estimations, With Examples, Formulas & Explanations) Author: Walter Fenix Publisher's notes: Cleaning Services Bid Estimation, provides job aids, which allow small commercial cleaning services contractors, to quantitate a bid for janitorial jobs, with the same precision and detail, as larger commercial cleaning services competitors. It is a unique innovation in its category and is

inexpensive, relative to other janitorial bidding resources, currently available to commercial cleaning services contractors. Users can easily recoup their investment, soon after implementing the tools found in *Cleaning Services Bid Estimation*.

Recession-Proof Income: Cleaning Up in the Commercial Office Cleaning Business Douglas Smith, 2020-09-21 As sure the sun will rise, the stock market will go up and down, housing prices will rise and fall, and jobs will come and go. Whether you are facing an uncertain economic future, affected by a downturn in the economy, or just seeking to supplement your existing income, *Recession Proof Income—Cleaning Up in the Commercial Office Cleaning Business*, is a must read for you. You may ask yourself, why should I read this book? What makes the commercial office cleaning business recession proof? And why should I consider starting an office cleaning business? The reasons are simple. (1) Human beings are messy; (2) wherever there are humans there will be dirt; (3) humans and dirt cannot healthfully coexist for extended periods of time; (4) despite the nature of dirt, not all humans will clean; and (5) some segments of the human population will always require assistance in meeting their cleaning needs. Coupled with real-world experience and practical examples, this book provides a step-by-step approach on how to quickly start reaping profits in the commercial office cleaning business. If you are unafraid of hard work and taking some moderate risk, the commercial office cleaning business can provide you with a steady stream of income in both good and bad economic times.

**How to Open & Operate a Financially Successful Cleaning Service** Beth Morrow, 2008 Book & CD-ROM. A lot of people believe that they can set up and operate a cleaning business that will reap big profits with a few dollars and some cleaning supplies. The reality is most of these start-ups fail in a couple of months. As with any business, it takes hard work and time to develop a profitable cleaning business. However, armed with the detailed information in this new book, you can have your recession-proof cleaning business up and running quickly. You will learn how to build your client list quickly, properly bid on jobs, organise your schedule, and maximise your time and profits. You will learn everything you need to know BEFORE starting your cleaning business. A cleaning service can be run part- or full-time and can easily be started in your own home. As such, these businesses are one of the fastest growing segments in the service economy. This new book will teach you all you need to know about starting your own cleaning business in the minimum amount of time. Here is the manual you need to cash in on this highly profitable segment of the service industry. This book is a comprehensive and detailed study of the business side of cleaning. This superb manual should be studied by anyone investigating the opportunities of opening a cleaning business and will arm you with everything you need, including sample business forms, contracts, worksheets and checklists for planning, opening, and running day-to-day operations, and dozens of other valuable, time-saving tools that no entrepreneur should be without. While providing detailed instructions and examples, the author leads you through finding a location that will bring success (if necessary), buying (and selling) a cleaning service, pricing formulas, sales planning, tracking competitors, bookkeeping, media planning, pricing, copy writing, hiring and firing employees, motivating workers, managing and training employees, accounting procedures, successful budgeting, and profit planning development, as well as thousands of great tips and useful guidelines. By reading this book, you will become knowledgeable about basic cost control systems, Web site plans and diagrams, software and equipment layout and planning, sales and marketing techniques, legal concerns, IRS reporting requirements, customer service, monthly profit and loss statements, tax preparation, public relations, general management skills, low and no cost ways to satisfy customers and build sales, and auditing. In addition, you will learn how to draw up a winning business plan (the Companion CD-ROM has the

actual business plan that can be used in Microsoft Word), how to set up computer systems to save time and money, how to hire and keep a qualified professional staff, how to generate high profile public relations, and how to keep bringing clients back. The manual delivers literally hundreds of innovative ways to streamline your business. Learn new ways to make your operation run smoother and increase performance. Shut down waste, reduce costs, and increase profits. In addition owners will appreciate this valuable resource and use it as a reference in their daily activities and as a source for ready-to-use forms, Web sites, operating and cost cutting ideas, and mathematical formulas that can be easily applied. The Companion CD-ROM contains all the forms in the book, as well as a sample business plan you can adapt for your own use.

**Real Business Plans & Marketing Tools** Anne McKinney, 2003 The first title in PREP's new Business Success Series is designed to help individuals who want to prepare paperwork related to starting, growing, selling, or marketing a business. The book contains real business plans for those contemplating entrepreneurship as well as for those who have an ongoing business which they are interested in selling. Readers will see samples of real business plans used by real organizations to sell a business to public companies. Readers will also see samples of documents, paperwork, and financial statements used by real companies to obtain equity financing and bank loans. A valuable section of the book is the section which shows marketing tools and business resumes used to attract new customers and increase profitability. (The author holds an MBA from the Harvard Business School.)
