Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served—the poorest of the poor—is here powerfully explored in her own words. Taken largely from her private lessons to her sisters, published here for the first time, Where There is Love, There is God unveils her extraordinary faith in and surrender to God's will. This book is in some way a sequel to Mother Teresa: Come Be My Light, in which her own very private spiritual struggles were explained. Sent to alleviate the sufferings of the poor, she assumed their struggles and pain in the depths of her heart. This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades. As important as this aspect of her life is, that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought. There is much she can teach us as we face our daily struggles or sufferings, which can at times be unusually severe. Where There is Love, There is God, though not an exhaustive anthology of Mother Teresa's teaching, nonetheless shows what she believed and taught about important issues that confront all people. Due to her constant interaction with people of diverse backgrounds, no life situation was foreign to her and in this book her role is primarily one of teacher and guide. Love is perhaps the word that best summarizes Mother Teresa's life and message. The title reflects what she proclaimed during her entire life: God is alive, present, and "still loves the world through you and through me". Mother Teresa sought to be an extension of God's heart and hands in the world of today. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our

brothers and sisters. MOTHER TERESA (1910-1997) was born in Skopje (present-day Macedonia), and joined the Sisters of Loreto in Dublin in 1928. She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta. Her service to the poorest of the poor became her life's work. She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003. Editor of *Mother Teresa: Come Be My Light*, FATHER BRIAN KOLODIEJCHUK, M.C., Ph.D., was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center, which has offices in California, Mexico, India, and Italy. "What you are doing I cannot do, what I'm doing you cannot do, but together we are doing something beautiful for God, and this is the greatness of God's love for us—To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few. It is a very simple duty for you, for me, you in your position, in your work and I and others, each one of us in the work, in the life that we have given our word of honor to God....You must put your love for God in a living action." -Mother Teresa, *From Where There is Love, There is God*

Strength to Love Martin Luther King, Jr., 2019-10-15 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars,

he spent uninterrupted time preparing the drafts for works such as “Loving Your Enemies” and “Shattered Dreams,” and he continued to edit the volume after his release. Strength to Love includes these classic sermons selected by Dr. King. Collectively they present King’s fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

Love Like Jesus: How Jesus Loved People (and how you can love like Jesus) Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popular-ish blog God Running, Love Like Jesus begins with the story of how after a life of regular church attendance and Bible study, Bennett was challenged by a pastor to study Jesus. That led to an obsessive seven-year deep dive. After pouring over Jesus' every interaction with another human being, he realized he was doing a much better job of studying Jesus' words than he was following Jesus' words and example. The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others. Love Like Jesus examines a variety of stories, examples, and research, including: -Specific examples of how Jesus communicated God's love to others. -How Jesus demonstrated all five of Gary Chapman's love languages (and how you can too). -The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions. -How to respond to critics the way Jesus did. -How to love unlovable people the way Jesus did. -How to survive a life of loving like Jesus (or how not to become a Christian doormat). -How Jesus didn't love everyone the same (and why you shouldn't either). -How Jesus guarded his heart by taking care of himself--he even napped--and why you should do the same. -How Jesus loved his betrayer Judas, even to the very end. With genuine unfiltered honesty, Love Like Jesus, shows you how to live a life according to God's definition of success: A life of loving God well, and loving the people around you well too. A life of loving like Jesus.

Love Is Life MANUSCRIPT BOOK of Poems Fred Bear, 2024-10-15 A life's journey To the center of the heart Done through poetry A story of adventure Through the chapters of my life And the unexpected journey I now find myself on Guided by the evolution Of my dreams The first eleven poems of this book were written in my youth to my love in life. We spent fifty-seven wonderful years together living and loving so many adventures in our life. We began this adventure on the first day we met and continued it throughout our lifetime together. The eighty-nine poems that have followed since her passing have been

given to me to share with family, friends, and all souls wishing to feel the beauty of love and faith. They are truly an unexpected journey in finding myself and sharing this purpose with others who have experienced loss. I have been blessed with the words and thoughts to inspire me and others to live in the now. For there is a purpose for all in life to continue one's journey and share peace and joy with all we meet. My dear friend, Faye, sent me a note that read, Keep busy, my friend, don't let your mind go there and give yourself a break. I know you are struggling today, try to keep your mind busy. The sun will come out. I promise. These words have evolved into an unexpected journey to create a lasting act of love that shows grace, warmth, and kindness to share with all who dare to dream.

Love Letters to Life Osho, 2016-12-13 In the age of Facebook, Twitter, WhatsApp, and email, personal letters seem somehow out of date, or at least far from most people's everyday experience. This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events. These are not letters to people and their personalities, these are letters to our souls. Osho addresses essential issues and concerns that arise on the path of meditation and self-discovery. The letters are encouragements to continue the process of meditation, and address subjects like Self-Acceptance, Wisdom, Consciousness, The Quest for Life, A Life of Freedom, Earth Is Our Home, Dropping Fear!, Dealing with Anger, Rebellion, and many more in a direct and penetratingly personal way. Osho explains this about the value of writing letters: If I write anything, I write letters, because a letter is as good as something that is spoken. It is addressed. I have not written anything except letters, because to me they are a manner of speaking. The other is always there before me when I write a letter. The OSHO works consist almost exclusively of the spoken word, addressed directly to individual people or larger audiences. These talks were recorded and then transcribed and published as books. This book represents one of the rare exceptions in the collected works of Osho, in which his written personal letters are published. Each one of these letters is like an condensed Osho Talk in haiku form. He would meet with these correspondents time and again at his meditation camps or while staying in their homes. This volume is a selection of his replies to their letters, queries, and calls for help. His words are intimate, incisive, poetic, playful, and loving. His encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living, loving, and working in the ordinary world - to keep their flame of commitment burning brightly when he is not physically present - can inspire whomever opens this book.

The Four Loves C. S. Lewis, 2010-12-09 C.S. Lewis's famous inspirational work on the nature of love.

Contemplative Literature Louis Komjathy, 2015-08-31 An anthology of primary texts on meditation and contemplative prayer from a wide range of religious traditions. This is the first theoretically informed and historically accurate comparative anthology of primary texts on meditation and contemplative prayer. Written by international experts on the respective texts and corresponding traditions, *Contemplative Literature* provides introductions to and primary sources on contemplative practice from various religious traditions. The contributors explore classical Daoist apophatic meditation, Quaker silent prayer, Jewish Kabbalah, Southern Buddhist meditation, Sufi contemplation, Eastern Orthodox prayer, Pure Land Buddhist visualization, Hindu classical Yoga, Dominican Catholic prayer, Daoist internal alchemy, and modern therapeutic meditation. Each introduction to a contemplative text discusses its historical context, the associated religious tradition and literature, the method of contemplative practice, and the text's legacy and influence. Volume editor Louis Komjathy opens the work with a thoughtful consideration of interpretive issues in the emerging interdisciplinary field of contemplative studies. Readers will gain not only a nuanced understanding of important works of contemplative literature, but also resources for understanding contemplative practice and contemplative experience from a comparative and cross-cultural perspective. "We have not seen anything this bold and this global since Friedrich Heiler wrote his classic study on the typology of prayer over eighty years ago. Komjathy and his essayists have vastly expanded the scope, depth, and sophistication of this project here. In the process, they have struggled with all of the critical questions around religious pluralism, tradition, and religious authority, and have emboldened the comparative project itself. Contemplation and comparison, it turns out, go very well together." — Jeffrey J. Kripal, author of *Comparing Religions: Coming to Terms* "Teachers and scholars, undergraduate and graduate students, and general readers interested in contemplative practice will cherish a book like this. I'm happy that Louis Komjathy has done this great work. It will undoubtedly be hailed as a milestone." — Ruben L. F. Habito, author of *Healing Breath: Zen for Christians and Buddhists in a Wounded World*
