Haluska, 2016-01-19 The Unprecedented Tell-All Guide Through the Intricacies of Executive Recruitment The single greatest opportunity that an organization has to improve both performance and culture in one stroke lies in the hiring of a new executive—the right executive. Like magicians unveiling the hidden 'tricks of the trade,' Perry and Haluska reveal: How to systematically secure—and retain—the perfect talent for your company How to keep recruiters from poaching your star executives (a good hire is relatively meaningless if they leave the company) Twenty-three questions you must ask a potential headhunter The language that makes your company the most compelling, and how HR lingo can repel the best talent Four critical turnoffs that drive great candidates away from top companies One company created \$3.8 million of market value each hour, for six months, simply by hiring the right leader. *Hiring Greatness* takes you behind the scenes of one of the world's most profitable and secretive industries, meticulously showing how any organization can make monumental hiring decisions that lead to massive success.
