**W. H. Auden**

The Ascent of F.6 and On the Frontier Wystan Hugh Auden, Christopher Isherwood, 1957

*Auden: Poems* W. H. Auden, 1995-05-10 The Everyman's Library Pocket Poets hardcover series is popular for its compact size and reasonable price which does not compromise content. Poems: Auden is just another reminder of his exhilarating lyric power and his understanding of love and longing in all their sacred and profane guises. One of English poetry's great 20th century masters, Poems: Auden is the short collection of an exemplary champion of human wisdom in its encounter with the mysteries of experience.

*The Shield of Achilles* W. H. Auden, 2024-05-07 The first critical edition of W. H. Auden's poetry collection *The Shield of Achilles*, which won the 1956 National Book Award in Poetry, this book will include the complete text of Auden's award-winning volume *The Shield of Achilles*, accompanied critical commentary by Alan Jacobs: a preface to provide historical and publishing context; a longer introduction to orient the reader to the poems themselves; and detailed notes on words or passages in need of clarification for contemporary readers. Jacobs, who has edited two previous critical editions of Auden's poetry, argues that this was the most important single collection of poems Auden published, and also the most coherent of his collections. The two poetic sequences, *Bucolics* and *Horae Canonicae*, bookend a remarkable set of lyrics, with *The Shield of Achilles* itself at the heart. One of Auden's last long poems, it refers to moment in *The Iliad* in which Thetis, mother of Achilles, asks Hephaestus to forge a shield for her son. Auden re-imagines how the shield of Achilles would look in the modern age, when the rules of war and the role of the hero have been rewritten. While the volume was widely praised, it is now out of print (although the title poem is included in larger collections of Auden's poetry). A critical edition allows readers to better understand and appreciate one of Auden's most important later poetic works, written in what Jacobs describes as a poetic idiom that differs quite significantly from what anyone else at the time was doing. . . . it is, in a vital sense, public poetry and it can be enjoyed, understood, and profited from. This edition is meant to make that enjoyment, understanding, and profit easier of access.--

**Call Me by My True Names** Thich Nhat Hanh, 2001-08-09 A collection of poetry by the renowned Zen meditation teacher, peace activist, and author of *The Miracle of Mindfulness* Though he is best known for his groundbreaking and accessible works on applying mindfulness to everyday life, Thich Nhat Hanh is also a distinguished poet and Nobel Peace

Prize nominee. This stunning poetry collection explores these lesser-known facets of Nhat Hanh's life, revealing not only his path to becoming a Zen meditation teacher but his skill as a poet, his achievements as a peace activist, and his experiences as a young refugee. Through over fifty poems, Nhat Hanh reveals the stories of his past—from his childhood in war-torn Vietnam to the beginnings of his own spiritual journey—and shares his ideas on how we can come together to create a more peaceful, mindful world. Uplifting, insightful, and profound, *Call Me By My True Names* is at once an exquisite work of poetry and a portrait of one of the world's greatest Zen masters and peacemakers. "The clear, still mind of this meditation teacher gives rise to piercing images time and time again. Nhat Hanh seems an inherently skilled poet. It is these poetic works, more than his essays or lectures, that show Thich Nhat Hanh clearly to be a Zen mystic." —San Francisco Chronicle Thich Nhat Hanh's poems have an almost uncanny power to disarm delusion, awaken compassion, and carry the mind into the immediate presence of meditation. Thich Nhat Hanh writes with the voice of the Buddha. - Sogyal Rinpoche.

**What W. H. Auden Can Do for You** Alexander McCall Smith, 2013-09-29 Bestselling novelist Alexander McCall Smith's charming account of how the poet W. H. Auden has helped guide his life—and how he might guide yours, too When facing a moral dilemma, Isabel Dalhousie—Edinburgh philosopher, amateur detective, and title character of a series of novels by best-selling author Alexander McCall Smith—often refers to the great twentieth-century poet W. H. Auden. This is no accident: McCall Smith has long been fascinated by Auden. Indeed, the novelist, best known for his No. 1 Ladies Detective Agency series, calls the poet not only the greatest literary discovery of his life but also the best of guides on how to live. In this book, McCall Smith has written a charming personal account about what Auden has done for him—and what he just might do for you. Part self-portrait, part literary appreciation, the book tells how McCall Smith first came across the poet's work in the 1970s, while teaching law in Belfast, a violently divided city where Auden's September 1, 1939, a poem about the outbreak of World War II, strongly resonated. McCall Smith goes on to reveal how his life has related to and been inspired by other Auden poems ever since. For example, he describes how he has found an invaluable reflection on life's transience in *As I Walked Out One Evening*, while *The More Loving One* has provided an instructive meditation on unrequited love. McCall Smith shows how Auden can speak to us throughout life, suggesting how, despite difficulties and change, we can celebrate understanding, acceptance, and love for others. An enchanting story about how art can help us live, this book will appeal to McCall Smith's fans and anyone curious about Auden.

**Blue Yodel** Ansel Elkins, 2015-03-01 Originated in 1919 to showcase the works of exceptional American poets under the age of forty, the Yale Series of Younger Poets prize is the oldest annual literary award presented in the United States. Ansel Elkins's poetry collection, Blue Yodel, is the 109th volume to be so honored. Esteemed poet and competition judge Carl Phillips praises Elkins for her "arresting use of persona," calling her poems "razor-edged in their intelligence, Southern Gothic in their sensibility." In her imaginative and haunting debut collection, Elkins introduces readers to a multitude of characters whose "otherness" has condemned them to live on the margins of society. She weaves blues, ballads, folklore, and storytelling into an intricate tapestry that depicts the violence, poverty, and loneliness of the Deep South, as well as the compassion, generosity, and hope that brings light to people in their darkest times. The blue yodel heard throughout this diverse compilation is a raw, primal, deeply felt expression of the human experience, calling on us to reach out to the isolated and disenfranchised and to find the humanity in every person.

Stopping By Woods on a Snowy Evening Robert Frost, 2021-11-23 The woods are lovely, dark and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep. From the illustrator of the world's first picture book adaptation of Robert Frost's "The Road Not Taken" comes a new interpretation of another classic Frost poem: "Stopping By Woods on a Snowy Evening." Weaving a simple story of love, loss, and memories with only illustrations and Frost's iconic lines, this stirring picture book introduces young readers to timeless poetry in an unprecedented way.

Loop of Jade Sarah Howe, 2015-05-07 \*WINNER OF THE T. S. ELIOT PRIZE 2015\* \*WINNER OF THE SUNDAY TIMES / PETERS FRASER + DUNLOP YOUNG WRITER OF THE YEAR AWARD 2015\* \*SHORTLISTED FOR THE FORWARD PRIZE FOR BEST FIRST COLLECTION 2015\* There is a Chinese proverb that says: 'It is more profitable to raise geese than daughters.' But geese, like daughters, know the obligation to return home. In her exquisite first collection, Sarah Howe explores a dual heritage, journeying back to Hong Kong in search of her roots. With extraordinary range and power, the poems build into a meditation on hybridity, intermarriage and love - what meaning we find in the world, in art, and in each other. Crossing the bounds of time, race and language, this is an enthralling exploration of self and place, of migration and inheritance, and introduces an unmistakable new voice in British poetry.

**Notes on Grief** Chimamanda Ngozi Adichie, 2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father: “With raw eloquence, *Notes on Grief* ... captures the bewildering messiness of loss in a society that requires serenity, when you’d rather just scream. Grief is impolite ... Adichie’s words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided” (The Washington Post). *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie’s beloved father’s death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father’s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he’d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie’s canon.

**Tell Me the Truth about Love** W. H. Auden, 1999 Fifteen famous love poems and cabaret songs written in the 1930s by W. H. Auden, including 'Funeral Blues' as featured in the film *Four Weddings and a Funeral*.

***Migritude*** Shailja Patel, 2010 The U.S. debut of internationally acclaimed poet and performance artist Shailja Patel, *Migritude* is a tour-de-force hybrid text that confounds categories and conventions. Part poetic memoir, part political history, *Migritude* weaves together family history, reportage and monologues to create an achingly beautiful portrait of women’s lives and migrant journeys undertaken under the boot print of Empire. Patel, who was born in Kenya and educated in England and the U.S., honed her poetic skills in performances of this work that have received standing ovations throughout Europe, Africa and North America. She has been described by the Gulf Times as the poetic equivalent of Arundhati Roy and by CNN as the face of globalization as a people-centered phenomenon of migration and exchange. *Migritude* includes interviews with the author, as well as performance notes and essays.
