One Place after Another Miwon Kwon,2004-02-27 A critical history of site-specific art since the late 1960s. Site-specific art emerged in the late 1960s in reaction to the growing commodification of art and the prevailing ideals of art's autonomy and universality. Throughout the 1970s and 1980s, as site-specific art intersected with land art, process art, performance art, conceptual art, installation art, institutional critique, community-based art, and public art, its creators insisted on the inseparability of the work and its context. In recent years, however, the presumption of unrepeatability and immobility encapsulated in Richard Serra's famous dictum to remove the work is to destroy the work is being challenged by new models of site specificity and changes in institutional and market forces. *One Place after Another* offers a critical history of site-specific art since the late 1960s and a theoretical framework for examining the rhetoric of aesthetic vanguardism and political progressivism associated with its many permutations. Informed by urban theory, postmodernist criticism in art and architecture, and debates concerning identity politics and the public sphere, the book addresses the siting of art as more than an artistic problem. It examines site specificity as a complex cipher of the unstable relationship between location and identity in the era of late capitalism. The book addresses the work of, among others, John Ahearn, Mark Dion, Andrea Fraser, Donald Judd, Renee Green, Suzanne Lacy, Inigo Manglano-Ovalle, Richard Serra, Mierle Laderman Ukeles, and Fred Wilson.

Molly the Pig (Moli Det Bigibigi) Karen Manbullo,2018-08-14 Written in Kriol and English, this is the story of Molly, a little pig who is rescued from the bush. She's taken back to the community where she finds a happy home. Happy, that is, apart from the local dogs who keep chasing and frightening her.Moli is greatly loved in her community, but what she loves most is Weet Bix. She loves it so much that it's not too long before little Moli is a very big pig indeed. So big, she now chases and frightens the local dogs. All in good fun, of course.The illustrations are an absolute delight, and watching Molly grow and grow and grow will bring a smile to readers' faces and outright laughter at the end.

Every Assistance & Protection Jane Doulman,David Lee,2008 Every Assistance and Protection is the first book presenting an in-depth history of the Australian passport. In charting the development of the passport from its early beginnings to its present form, the book traverses changes in government policy and social history from the early 19th century to the modern era. It shows how the Australian passport evolved from a signifier of British nationality into a badge of membership of one of the most multicultural countries in the world. The book explores the landmark events in this history:the great 19th century diasporas, resulting from relaxation of official controls on the movement of people; the early passport regime regulating the movement of ticket-of-leave convicts; the establishment of the centralised passport system during World War I; the enactment of the first passport legislation for the Commonwealth, The Passports Act 1920, and the reaction of some Australians who felt the new law infringed the liberties of the British subject; changes to the laws in 1938 such that possession of a passport was no longer mandatory for an Australian to travel, though still a practical necessity; the use of the government's discretionary power to cancel or withhold passports to inhibit the movement of individual communists; the establishment of Australian citizenship in 1948 - the basis for possession of an Australian passport; the removal of the word British from the cover in 1967; the effects of globalisation and heightened security in the late 20th and early 21st century. It also touches on the lives of individuals: boxer Les Darcy, journalist Wilfred Burchett, and General Sir Thomas Blamey, are among the many Australians featuring in these pages. The book is based on an exhaustive examination of hitherto unexamined primary sources of many government departments, including the Departments of External Affairs, the Prime Minister's, the Attorney-General's, Defence, Home and Territories, Immigration and Foreign Affairs. Sponsored by Department of Foreign Affairs and Trade

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-

advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*
