## Nora Roberts

The Last Boyfriend Nora Roberts, 2012-05-01 #1 New York Times bestselling author Nora Roberts presents the story of a shared past, a fresh start, and a lifetime of love in the second novel in the Inn BoonsBoro Trilogy. Owen is the organizer of the Montgomery clan, running the family's construction business with an iron fist—and an even less flexible spreadsheet. And though his brothers bust on his compulsive list-making, the Inn BoonsBoro is about to open right on schedule. The only thing Owen didn't plan for was Avery McTavish... Avery's popular pizza place is right across the street from the inn, giving her a first-hand look at its amazing renovation—and a newfound appreciation for Owen. Since he was her first boyfriend when they were kids, Owen has never been far from Avery's thoughts. But the attraction she's feeling for him now is far from innocent. As Avery and Owen cautiously take their relationship to another level, the opening of the inn gives the whole town of Boonsboro a reason to celebrate. But Owen's hard work has only begun. Getting Avery to let down her guard is going to take longer than he expected—and so will getting her to realize that her first boyfriend is going to be her last... **The Perfect Hope** Nora Roberts, 2012-11-06 #1 New York Times bestselling author Nora Roberts completes the Inn BoonsBoro trilogy with a novel of starting over and star-crossed love. Ryder is the hardest Montgomery brother to figure out—with a tough-as-nails exterior and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy swagger. Except, apparently, Hope Beaumont, the innkeeper of his own Inn BoonsBoro... The former manager of a D.C. hotel, Hope is now where she wants to be—except for in her love life. Her only interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get under her skin. Still, no one can deny the electricity that crackles between them...a spark that ignited with a New Year's Eve kiss. While the inn is running smoothly, thanks to Hope's experience and unerring instincts, her big-city past is about to make an unwelcome—and embarrassing—appearance. Seeing Hope vulnerable stirs Ryder's emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him... **The Next Always** Nora Roberts, 2011-11-01 The historic hotel in Boonsboro has endured war and peace, changing hands, even rumored hauntings. Now it's getting a major facelift from the Montgomery brothers and their eccentric mother. Beckett is the architect of the family, and his social life consists mostly of talking shop over pizza and beer. But there's another project he's got his eye on: the girl he's been waiting to kiss since he was fifteen. After losing her husband and returning to her hometown, Clare Brewster soon settles into her life as the mother of three young sons while running the town's bookstore. Busy, with little time for romance, Clare is drawn across the street by Beckett's transformation of the old inn, wanting to take a closer look . . . at the building and the man behind it. With the grand opening inching closer, Beckett's happy to give Clare a private tour - one room at a time. It's no first date, but these stolen moments are the beginning of something new - and open the door to the extraordinary adventure of what comes next . . .

Now, twelve years after they last walked together hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop's touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil's beloved cougar, memories of an unsolved murder have Coop springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....

Blithe Images Nora Roberts, 2020-03-03 No one captures a perfect picture of a couple finding one another quite like Nora Roberts, the #1 New York Times bestselling “word artist” (Los Angeles Daily News), who focuses on the intense passion that develops between a model and the man captivated by her in *Blithe Images*. *Mode Magazine* is one of New York City’s premier fashion glossies and Hilary Baxter has just been contracted as one of their models. The culture shock she experiences between her small-town Kansas life and the glamour of the Big Apple is nothing compared to the thrill she gets when *Mode*’s charismatic publisher Bret Bardoff takes a personal interest in guiding her career. Unable to resist Bret’s seductive allure, Hilary’s infatuation turns into love—a love she hopes is strong enough for Bret to see the person behind the beauty.

**Year One** Nora Roberts, 2017-12-05 #1 NEW YORK TIMES BESTSELLER (December 2017) A stunning new novel from the #1 New York Times bestselling author Nora Roberts—*Year One* is an epic of hope and horror, chaos and magick, and a journey that will unite a desperate group of people to fight the battle of their lives... It began on New Year’s Eve. The sickness came on suddenly, and spread quickly. The fear spread even faster. Within weeks, everything people counted on began to fail them. The electrical grid sputtered; law and government collapsed—and more than half of the world’s population was decimated. Where there had been order, there was now chaos. And as the power of science and technology receded, magick rose up in its place. Some of it is good, like the witchcraft worked by Lana Bingham, practicing in the loft apartment she shares with her lover, Max. Some of it is unimaginably evil, and it can lurk anywhere, around a corner, in fetid tunnels beneath the river—or in the ones you know and love the most. As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets, and with nothing left to count on but each other, Lana and Max make their way out of a wrecked New York City. At the same time, other travelers are heading west too, into a new frontier. Chuck, a tech genius trying to hack his way through a world gone offline. Arlys, a journalist who has lost her audience but uses pen and paper to record the truth. Fred, her young colleague, possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape. And Rachel and Jonah, a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive. In a world of survivors where every stranger encountered could be either a savage or a savior, none of them knows exactly where they are heading, or why. But a purpose awaits them that will shape their lives and the lives of all those who remain. The end has come. The beginning comes next.

**A Will And A Way** Nora Roberts,2011-11-01 It was worse than winning the lottery-much worse. This bequest might mean more money, but the strings attached had Pandora McVie tied up in knots. Respecting Uncle Jolley's last wishes meant spending time isolated in the Catskills with Michael Donahue, her least favourite-though best looking-distant relative and co-beneficiary. Living with a carrot-topped termagant wasn't Michael's idea of a good time, either, but he realised they were stuck. Jolley was a matchmaker to the end-and apparently for some time beyond. What could happen in six months? Michael answered that one himself: almost anything.

**Come Sundown** Nora Roberts,2018-05 Read chapter one of Nora Roberts's *Come Sundown!* The Bodine ranch and resort in western Montana is a family business, an idyllic spot for vacationers. A little over thirty thousand acres and home to four generations, it's kept running by Bodine Longbow with the help of a large staff, including new hire Callen Skinner. There was another member of the family once: Bodine's aunt, Alice, who ran off before Bodine was born. She never returned, and the Longbows don't talk about her much. The younger ones, who never met her, quietly presume she's dead. But she isn't. She is not far away, part of a new family, one she never chose--and her mind has been shattered... When a bartender leaves the resort late one night, and Bo and Cal discover her battered body in the snow, it's the first sign that danger lurks in the mountains that surround them. The police suspect Cal, but Bo finds herself trusting him--and turning to him as another woman is murdered and the Longbows are stunned by Alice's sudden reappearance. The twisted story she has to tell about the past--and the threat that follows in her wake--will test the bonds of this strong family, and thrust Bodine into a darkness she could never have imagined.
