Essential Interviewing Skills for the Helping Professions Nicole Nicotera,2018-04-26 *Essential Interviewing Skills for the Helping Professions* reaches beyond most other essential skills for clinical interviewing books with its emphasis on social justice, attention to the role of microaggressions in clinical practice, and the utmost importance of practitioner wellness as integral to longevity in the helping professions. Each chapter addresses interviewing skills that are foundational to the helping professions from mental health to physical health, includes detailed exercises, addresses social justice, and discusses practitioner wellness opportunities. Sometimes clients' stories are fraught with trauma, other times their stories are bound within generations of substance addiction or family violence, while other clinical stories present personal and social obstacles that arise from years of oppression at the hands of prejudice and discrimination. This book therefore goes beyond the basic ideas of choosing when to use an open question or to reflect emotions by covering how to integrate social justice and knowledge of power, privilege, and oppression into the interviewing arena. Essential interviewing skills require the practitioner to not only purposefully listen to the client's story, but also to be self-aware and willing to acknowledge mistakes and learn from them. The work of the clinical interviewer is a continuous challenge of balancing listening, responding, action, and self-awareness, and this book is designed to help.

Clinical Supervision in the Real World Francis Martin,Janet Turner,2019-12-06 This practical guide provides support for mental health practitioners as they develop their approach to clinical supervision, drawing on the authors' extensive experience of counseling and psychotherapy to bring readers into the real world of clinical supervision. Chapters introduce the essential responsibilities and tasks of a clinical supervisor and place emphasis on the development of a Competence-Oriented Model of Clinical Supervision, upon which a philosophical foundation for supervision can be built. Integrating up-to-date research with case vignettes and practical resources, the text discusses philosophies of clinical supervision and explores themes that often define a supervisor's contextual world, from professional ethics and legal issues to the personal development of both the supervisor and the supervisee. Affirming and encouraging professional development as well as identifying a range of common challenges, *Clinical Supervision in the Real World* is a key resource for aspiring clinical supervisors looking to build their own philosophy of supervision.

FAMILY THERAPY TECHNIQUES Salvador MINUCHIN,H. Charles Fishman,2009-06-30 A master of family therapy,

Salvador Minuchin, traces for the first time the minute operations of day-to-day practice. Dr. Minuchin has achieved renown for his theoretical breakthroughs and his success at treatment. Now he explains in close detail those precise and difficult maneuvers that constitute his art. The book thus codifies the method of one of the country's most successful practitioners.

The Imagination Matrix Stephen Aizenstat, Ph.D.,2023-10-24 A leading depth psychologist offers a practical approach for vastly expanding your creative resources—and discovering for yourself that even the challenges of our time can be overcome by the power of human imagination. If ever there was a time and a place to reconnect with imagination, that place is here, that time is now. For anyone looking for a new way forward for yourself, your community, and our struggling planet, Professor Stephen Aizenstat offers a powerful message of hope. The trailblazers are people like you—the seekers, creatives, dreamers, doers—who are willing and ready to tap into a collective purpose so vital, so vibrant, so resonant in the world of today. In *The Imagination Matrix*, Aizenstat shares a step-by-step process to help you gain access to the “source code of imagination”—energizing your capacity to innovate new outcomes, evolve real-world solutions, and nurture your well-being. Here you’ll explore: • Opening the Curious Mind—a new method to engage imagination and wonder • Answering the call of your Innate Genius • Growing your capacities of Imaginal Intelligence • Maintaining your humanity in an increasingly technological world • Claiming your creativity and purpose to meet the pull of the future *The Imagination Matrix* offers a practical and uniquely personal path for becoming more purposeful, resourceful, and resilient—while developing a profound connection to the creative force that animates and flows through us all.

Gatekeeping in the Mental Health Professions Alicia M. Homrich,Kathryn L. Henderson,2018-06-11 This book guides graduate faculty and supervisors in effective gatekeeping by bringing together the body of professional performance standards for multiple mental health fields and providing best practices, tools, and templates for use with trainees. Following an introduction to the professional, ethical, and legal issues involved in gatekeeping, the authors discuss contextual factors that can affect trainee functioning. Topics addressed include strategies for assisting low-performing trainees, faculty and supervisor roles, professional collaboration, evaluating trainee performance, designing remediation plans, documentation, and prevention and early intervention. Text features include Notes From the Field, On the Legal Side, and What Would You Do? to enhance understanding of the material. *Gatekeeping in the Mental Health Professions* presents a treasure trove of rigorous scholarship and practical recommendations for addressing one of the most vexing challenges that clinical educators and supervisors face—dealing with the problematic personal issues, interpersonal behavior, or unprofessional conduct of a student/trainee. From admission to graduate school through licensing for independent practice, the authors provide policies, procedures, contracts, and sample dialogues that are compassionate, mindful of students' varying developmental stages, and respectful of due process. This authoritative text will help to fulfill the fundamental responsibility of every clinical educator and supervisor to protect our profession and the clients we serve. —Anne Marie Nancy Wheeler, JD, and Burt Bertram, EdD,

Coauthors, The Counselor and the Law This unique and valuable contribution to the field covers all aspects of gatekeeping, a term frequently discussed but sometimes not practiced. As the experts in this volume point out, mental health educational programs are ethically bound to ensure that their graduates are competent. This book not only discusses gatekeeping responsibilities but also provides useful ways to practice and document them. This must-read text is thorough, interesting, and critically important. —Samuel T. Killing Comparison SA Edition Nona Jones, 2022-09-27 It's time to leave behind the discontent of comparative thinking and discover a free and joyful life in the security of God's love. If you find yourself filled with feelings of insecurity, sure that others are better off or more worthy than you are...then you're in good company! In today's image-driven world, nearly all of us deal with the struggles of comparison and self-worth. Nona Jones knows this mindset all too well. Throughout her life and in her recent career as an executive for the world's largest social media company, Nona discovered how true confidence can only be achieved by defeating comparative thinking and securing our identity to God's approval alone. Join Pastor Nona Jones as she provides a fresh, biblically rooted perspective on the age-old human habit of comparing oneself to others. Killing Comparison will give you the tools you need to: Determine your true source of self-worth. Develop practical ways to conquer daily comparison. Learn how to control social media instead of letting it control you. Discover how to accomplish your dreams without comparing yourself at every turn. Through practical insight and down-to-earth encouragement, Nona helps you avoid the despair of comparison and pursue a life inspired by the one who made us in his image.

Living Beyond the Why Dr. Bridgette Everhart Hardin, 2020-02-17 Grieving a loss from suicide is traumatic and typically unexpected. The act of one's suicide tends to leave those of us left behind in a state of shock, wondering why our loved one committed suicide. Often, us mourners of a suicide death are grieving in isolation, confused by our unexpected loss, and, moreover, confused about how to heal and move beyond our tragic loss. Living Beyond the Why is more than just a book about loss and grief; it's a book about living a life beyond the sting of your loved one's suicide and living a life that goes beyond the question of why. As you read through this book, you will travel through key moments of my personal grief journey. You will also acquire relevant grief-based information for you to utilize as you navigate your own personal grief journey. Once you have traversed the pages of this book, you will be able to: 1. identify your personal grief patterns, 2. recognize relevant and beneficial coping strategies used to promote emotional healing, and 3. explore and consider the various resources available to you as you navigate your personal grief journey. For more information be sure to check out the author's website: Living Beyond the Why. If you are unable to access this link for any reason, please go to: <https://www.livingbeyondthewhy.com>.

A Counselor's Guide to Working with Men Matt Englar-Carlson, Marcheta P. Evans, Thelma Duffy, 2014-12-01 This book examines a variety of critical issues pertaining to the psychology of men and masculinity and presents successful, evidence-based strategies for treatment. Part 1 focuses on treating men in couples counseling, group work, and career counseling, as well as counseling men about their health. Part 2 explores the intersections of identity for sexual minority men, older men, and fathers, and discusses spiritual work with men in life transitions. Part 3 addresses the concerns of men in the military, prevention of sexual violence, and treating men with addictions and trauma-related issues. Part 4 provides the specific clinical frames of female counselors using relational-cultural theory with men, and examines using motivational and masculine-sensitive therapy with men. Examples and vignettes throughout the text provide clinical relevance, and reflective questions in each chapter encourage readers to explore their own biases and ideas about working with men. *Requests for digital versions from ACA can be found on wiley.com. *To purchase print copies, please visit the ACA website here.

Counseling Around the World Thomas H. Hohenshil, Norman E. Amundson, Spencer G. Niles, 2015-01-12 This fascinating book provides a global exchange of information about counseling activities and services; counselor training; and existing professional practices, beliefs, and values. Native counselors and leading experts from 40 countries discuss the opportunities for growth in their countries and the challenges they face. After an introductory section that discusses global diversity themes and issues, chapters focus on key countries in Africa, Asia, Europe, the Middle East, North America, Oceania, and South and Central America. Each chapter covers the history and current state of counseling in the country, theories and techniques that have been shown to work best in meeting the needs of the population, diversity issues specific to the region, counselor education and training, and possibilities for the future of counseling in the country. A comprehensive list of international resources and counseling organizations is also included. *Requests for digital versions from ACA can be found on www.wiley.com. *To purchase print copies, please visit the ACA website *Reproduction requests for material from books published by ACA should be directed to publications@counseling.org.

Responding to Student Trauma Stephanie Filio, 2021-07-12 Immediately effective trauma-response framework for educators to help students during and after crises. Responding to Student Trauma is an urgent addition to current trauma response practices. Written by a middle school counselor, this easy-to-follow book provides a framework for understanding and responding to the needs of students experiencing trauma. With many schools lacking adequate staff for supporting student mental health, this guide gives educators the information and strategies they need to address the specific needs of their students. Packed with strategies to use immediately, Responding to Student Trauma categorizes trauma according to the source: self/home, school, community, and country/world. It directly addresses how to respond to crises currently facing students and educators and includes tips for planning ahead to be ready for the next crisis. The versatile structure allows Responding to Student Trauma to be used as a standalone resource, as a supplement to existing programs, or as a trauma response framework to create a schoolwide program. Having clear and comprehensive programs for times of crisis and students who are struggling with traumatic experiences allows staff to support student mental health and helps reduce staff anxiety and uncertainty about unexpected incidents. Digital content includes a reproducible school-planning worksheet, teacher quick-guide worksheet, and action items checklist to ensure the entire staff is trained and feels prepared to respond quickly to situations. Counselor Self-Care Gerald Corey, Michelle Muratori, Jude T. Austin, II, Julius A. Austin, 2017-12-08 Self-care is critical for effective and ethical counseling practice and this inspirational book offers diverse, realistic perspectives on how to

achieve work-life balance and personal wellness from graduate school through retirement. In addition to the authors' unique perspectives as professionals at different stages of their careers, guest contributors—ranging from graduate students, to new professionals, to seasoned counselors—share their experiences and thoughts about self-care, including what challenges them most. Both personal and conversational in tone, this book will help you to create your own practical self-care action plan through reflection on important issues, such as managing stress, establishing personal and professional boundaries, enhancing relationships, and finding meaning in life. Counselors face the obstacle of remembering to care for themselves while focusing on caring for others. In *Counselor Self-Care*, Drs. Gerald Corey, Michelle Muratori, Jude Austin, and Julius Austin lead 52 contributing authors in a book rich with living events and defining moments. Multiple stressors are described and met with multiple solutions. There is so much great content here that can be embraced by those who do the noble work of being present for others. —Tom Skovholt, PhD, LP, Professor, University of Minnesota; Author of *The Resilient Practitioner: Burnout and Compassion Fatigue Prevention and Self-Care Strategies for the Helping Professions*, 3rd Edition Self-care is often discussed in counselor training and supervision, but not in its full scope. *Counselor Self-Care* provides breadth and depth by addressing the many facets of self-care. The authors combine personal narratives and anecdotes from experienced mental health professionals with self-assessment questions and self-care improvement strategies. The level of vulnerability and insight from the authors, and those who share their stories, is informative and rare to find. Assign this book as reading for yourself, your students, and your supervisees to motivate nurturing of the self. —Philip Clarke, PhD, Associate Professor, Wake Forest University *Requests for digital versions from ACA can be found on www.wiley.com *To request print copies, please visit the ACA <https://imis.counseling.org/store/detail> *Reproduction requests for material from books published by ACA should be directed to publications@counseling.org
