**CEO Excellence** Carolyn Dewar, Scott Keller, Vikram Malhotra, 2022-03-15 New York Times Bestseller Wall Street Journal Bestseller From the world's most influential management consulting firm, McKinsey & Company, this is an insight-packed, revelatory look at how the best CEOs do their jobs based on extensive interviews with today's most successful corporate leaders—including chiefs at Netflix, JPMorgan Chase, General Motors, and Sony. Being a CEO at any of the world's largest companies is among the most challenging roles in business. Billions, and even trillions, are at stake—and the fates of tens of thousands of employees often hang in the balance. Yet, even when “can't miss” high-achievers win the top job, very few excel. Thirty percent of Fortune 500 CEOs last fewer than three years, and two out of five new CEOs are perceived to be failing within eighteen months. For those who shoulder the burden of being the one on whom everyone counts, a manual for excellence is sorely needed. To identify the 21st century's best CEOs, the authors of CEO Excellence started with a pool of over 2400 public company CEOs. Extensive screening distilled that group into an elite corps, sixty-seven of whom agreed to in-depth, multi-hour interviews. Among those sharing their views: Jamie Dimon (JPMorgan Chase), Satya Nadella (Microsoft), Reed Hastings (Netflix), Kazuo Hirai (Sony), Ken Chenault (American Express), Mary Barra (GM), and Peter Brabeck-Letmathe (Nestlé). What came out of those frank, no-holds-barred conversations is a rich array of mindsets and actions that deliver outsized performance. Compelling, practical, and unprecedented in scope, CEO Excellence is a treasure trove of

wisdom from today's most elite business leaders.

In *Amp It Up: Leading for Hypergrowth by Raising Expectations, Increasing Urgency, and Elevating Intensity*, he shares his leadership approach for the first time. *Amp It Up* delivers an authoritative look at what it takes to transform an organization for maximum growth and scale. The Manager's Handbook Alex MacCaw, 2021-08-16 This handbook is the practical guide to becoming a great manager. It covers all the major topics including hiring, coaching, feedback, one-on-ones, and decision making. It also covers some of softer, but equally important, topics like conflict resolution and mental health. Great management changes lives. In fact, it's one of the most single overlooked pieces of leverage in the world. Great managers are remembered like great teachers, inspirations who help others soar. That's why it's such a shame management training is so often overlooked. Successful individual-contributors are rewarded with a 'promotion' into management and then, more often than not, left to sink or swim. If you're a new manager, this book will shine a friendly light on the road ahead. And if you're an old dog, perhaps it'll teach you a trick or two. This handbook was written by Alex MacCaw and stress-tested at a company called Clearbit.

Refreshingly original and utterly compelling, this razor-sharp novelette plus self-assessment (written to be read in one sitting) serves as a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors that are painfully difficult for each of us to master. Any executive can learn how to recognize the mistakes that leaders can make and how to avoid them. The lessons in The Five Temptations of a CEO, are as relevant today as ever, and this special anniversary edition celebrates ten years of inspiration and enlightenment with a brand-new introduction and reflections from Lencioni on new challenges in business and leadership that have arisen in the past ten years.

In this book, Melissa Perri explains how laying the foundation for great product management can help companies solve real customer problems while achieving business goals. By understanding how to communicate and collaborate within a company structure, you can create a product culture that benefits both the business and the customer. You'll learn product management principles that can be applied to any organization, big or small. In five parts, this book explores: Why organizations ship features rather than cultivate the value those features represent How to set up a product organization that scales How product strategy connects a company's vision and economic outcomes back to the product activities How to identify and pursue the right opportunities for producing value through an iterative product framework How to build a culture focused on successful outcomes over outputs

**Zero to One** Blake Masters, Peter Thiel, 2014-09-18 WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of The Black Swan

**The Way of the Shepherd** Kevin Leman, William Pentak, 2004 A businessman shares the seven secrets he learned long ago that, while ancient in origin, are applicable in today's fast-paced world.

Your CEO Succession Playbook is a 6-phase game plan for each step in the CEO succession process, one that doesn't require you to work harder and faster, but rather more intentionally. Whether as an executive coach, CEO forum chair or succession management consultant, her main goal is to help companies identify and develop executive potential. She has coached hundreds of executives, from Canada to Africa to New Zealand, with clients ranging from Fortune 100 companies to entrepreneurial start-ups. Before turning to coaching and consulting, Natalie led organizations that won accolades such as best-managed company, fastest-growing company and top employer. In her personal time, she loves quiet mornings on her mat and hitting the trails with her family. Brian Conlin is an executive coach, mentor, board member and business advisor who worked in employee-owned organizations for over thirty years. He personally went through a successful transition as the former CEO of Golder Associates, a professional services firm that grew during his leadership from a modest regional business to a global powerhouse with over nine thousand employees and \$1.5 billion in annual revenue. During his career, Brian has coached and supported the development of dozens of leaders. Today he coaches executives from small start-ups through to large, complex firms. He enjoys engaging with executives who dream big, want to succeed and care for others. A family man with two grown boys and a granddaughter, he enjoys volunteering for worthy causes, cycling and playing golf. Advance praise for Your CEO Succession Playbook: The decision to name a new CEO is one of the most important a company can make. With this book in hand, though, you'll be ready. Every CEO and board member should read it, heed its lessons, and put its tools into action. Daniel H. Pink, author of Drive and To Sell Is Human
