

Little Tales Of Misogyny

Kristen Roupenian

Little Tales of Misogyny Patricia Highsmith, 2002-08-17 These stories, once you get the hang of them, are very wicked, very funny and—this being Highsmith’s mission in life, as far as one can tell—very unsettling. —The Guardian With an eerie simplicity of style, Highsmith turns our next-door neighbors into sadistic psychopaths, lying in wait among white picket fences and manicured lawns. In the darkly satiric, often mordantly hilarious sketches that make up Little Tales of Misogyny, Highsmith upsets our conventional notions of female character, revealing the devastating power of these once familiar creatures—The Dancer, The Female Novelist, The Prude—who destroy both themselves and the men around them. This work attests to Highsmith's reputation as the poet of apprehension (Graham Greene).

Sour Tales for Sweethearts Patricia Highsmith, 2015-01-22 This poisonous little book contains four wicked stories of love gone wrong. Taken from Little Tales of Misogyny, Highsmith's satirical, cultish short-story collection, these dark and often funny sketches reveal how your lover may not always have your best interests at heart...

Ripley Under Water Patricia Highsmith, 2008-08-26 Ripley must protect himself when an American couple come to the village where he lives with this wife.

Tales of Natural and Unnatural Catastrophes Patricia Highsmith, 2011-11-08 The legendary writer Patricia Highsmith is best remembered today for her chilling psychological thrillers *The Talented Mr. Ripley* and *Strangers on a Train*, which was made into the classic film by Alfred Hitchcock and Raymond Chandler. A critically-acclaimed best seller in Europe, Highsmith struggled during her life for recognition in the United States, but since her death in 1995 Highsmith’s reputation has grown tremendously, and she is now recognized as one of the signature voices of the troubled twentieth century. “When the dust has settled,” critic A.N. Wilson wrote, “and when the chronicle of twentieth-century American literature comes to be written, history will place Highsmith at the top of the pyramid, as we should place Dostoevsky at the top of the Russian hierarchy of novelists.” *Tales of Natural and Unnatural Catastrophes* is the last short fiction published during Highsmith's lifetime. The ten eerily up-to-date stories chronicle a world gone slightly mad; environmental degradation, apocalyptic disaster, political chaos, and religious conservatism are captured in incisive prose that leaves us haunted with “afterimages that will tremble—but stay—in our minds” (The New Yorker).

A Spell for Chameleon Piers Anthony, 2002-03-26 BEST NOVEL OF THE YEAR, BRITISH FANTASY SOCIETY • Discover

the magical beginning of Piers Anthony's enthralling Xanth series Xanth was the enchanted land where magic ruled—where every citizen had a special spell only he could cast. It was a land of centaurs and dragons and basilisks. For Bink of North Village, however, Xanth was no fairy tale. He alone had no magic. And unless he got some—and got some fast!—he would be exiled. Forever. But the Good Magician Humfrey was convinced that Bink did indeed have magic. In fact, both Beauregard the genie and the magic wall chart insisted that Bink had magic. Magic as powerful as any possessed by the King or by Good Magician Humfrey—or even by the Evil Magician Trent. Be that as it may, no one could fathom the nature of Bink's very special magic. Bink was in despair. This was even worse than having no magic at all . . . and he would still be exiled! Thus begins Piers Anthony's enthralling Xanth series. . . .

The Selected Stories of Patricia Highsmith Patricia Highsmith, 2001 With the savage humor of Waugh and the macabre sensibility of Poe, Patricia Highsmith (1921-1995) brought a distinctly contemporary acuteness to her prolific body of noir fiction. Including over 60 short stories written throughout her career, this collection reveals the stunning versatility and terrifying power of her work.

How to Be Eaten Maria Adelman, 2022-05-31 One of NPR's Best Books of the Year: This darkly funny and provocative novel reimagines classic fairy tale characters as modern women in a support group for trauma. In present-day New York City, five women meet in a basement support group to process their traumas. Bernice grapples with the fallout of dating a psychopathic, blue-bearded billionaire. Ruby, once devoured by a wolf, now wears him as a coat. Gretel questions her memory of being held captive in a house made of candy. Ashlee, the winner of a Bachelor-esque dating show, wonders if she really got her promised fairy tale ending. And Raina's love story will shock them all. Though the women start out wary of one another, judging each other's stories, gradually they begin to realize that they may have more in common than they supposed . . . What really brought them here? What secrets will they reveal? And is it too late for them to rescue each other? Dark, edgy, and wickedly funny, this debut for readers of Carmen Maria Machado, Kristen Arnett, and Kelly Link takes our coziest, most beloved childhood stories, exposes them as anti-feminist nightmares, and transforms them into a new kind of myth for grown-up women. *Belletrist June Book Club Pick* Named a Best Book of May by TIME Magazine & Glamour One of NPR's Best Books of the Year

The Cry of the Owl Patricia Highsmith, 2011-07-12 In a small Pennsylvania town, Robert Forrester is recuperating from a nasty divorce and a bout of psychological trouble. One evening, while driving home, he sees a pretty young woman framed by her bright kitchen window. Soon, he can't keep himself away. But when Robert is inevitably discovered, obsession is turned on its head, and he finds himself unable to shake the young woman, nor entirely sure whether he should. From Patricia Highsmith, once called the balladeer of stalking by *The New Yorker*, *The Cry of the Owl* is a modern classic ready to be reborn.

Medieval Women's Writing Diane Watt,2007-10-22 *Medieval Women's Writing* is a major new contribution to our understanding of women's writing in England, 1100-1500. The most comprehensive account to date, it includes writings in Latin and French as well as English, and works for as well as by women. Marie de France, Clemence of Barking, Julian of Norwich, Margery Kempe, and the Paston women are discussed alongside the Old English lives of women saints, *The Life of Christina of Markyate*, the *St Albans Psalter*, and the legends of women saints by Osborn Bokenham. *Medieval Women's Writing* addresses these key questions: Who were the first women authors in the English canon? What do we mean by women's writing in the Middle Ages? What do we mean by authorship? How can studying medieval writing contribute to our understanding of women's literary history? Diane Watt argues that female patrons, audiences, readers, and even subjects contributed to the production of texts and their meanings, whether written by men or women. Only an understanding of textual production as collaborative enables us to grasp fully women's engagement with literary culture. This radical rethinking of early women's literary history has major implications for all scholars working on medieval literature, on ideas of authorship, and on women's writing in later periods. The book will become standard reading for all students of these debates.

The Handmaid's Tale Margaret Atwood,2011-09-06 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

The Hearing Trumpet Leonora Carrington,2021-01-05 An old woman enters into a fantastical world of dreams and nightmares in this surrealist classic admired by Björk and Luis Buñuel. Leonora Carrington, painter, playwright, and novelist, was a surrealist trickster par excellence, and *The Hearing Trumpet* is the witty, celebratory key to her anarchic and allusive body of work. The novel begins in the bourgeois comfort of a residential corner of a Mexican city and ends with a man-made apocalypse that promises to usher in the earth's rebirth. In between we are swept off to a most curious old-age home run by a self-improvement cult and drawn several centuries back in time with a cross-dressing Abbess who is on a quest to restore the Holy Grail to its rightful owner, the Goddess Venus. Guiding us is one of the most unexpected heroines in twentieth-century literature, a nonagenarian vegetarian named Marian Leatherby, who, as Olga Tokarczuk writes in her afterword, is "hard of hearing" but "full of life."

Everyday Sexism Laura Bates,2016-04-05 "Laura Bates has challenged the normalization of sexism, and created a place

where both men and women can see it and change it.” —Gloria Steinem The Everyday Sexism Project was founded by writer and activist Laura Bates in April 2012. It began life as a website where people could share their experiences of daily, normalized sexism, from street harassment to workplace discrimination to sexual assault and rape. The Project became a viral sensation, attracting international press attention from The New York Times to French Glamour, Grazia South Africa, to the Times of India and support from celebrities such as Rose McGowan, Amanda Palmer, Mara Wilson, Ashley Judd, James Corden, Simon Pegg, and many others. The project has now collected over 100,000 testimonies from people around the world and launched new branches in twenty-five countries worldwide. Everyday Sexism has been credited with helping to spark a new wave of feminism. “Laura Bates didn’t just begin a movement, she has started a revolution.” —Liz Plank, Senior Correspondent at Mic and host of Flip the Script “A startlingly astute analysis on violence and inequality.” —Lauren Wolfe, journalist and Director of the Women’s Media Center’s Women Under Siege Project “Powerful.” —Stephen Dunbar-Johnson, President of International at The New York Times “Pioneering.” —Telegraph “A must-read for every woman.” —Cosmopolitan (UK) “This is an important work and if I had my way would be compulsory school reading across the globe.” —Feminist Times “Laura Bates deftly makes visible the spider web of oppression that holds us back and binds us all together.” —Jaclyn Friedman, co-author of Yes Means Yes: Visions of Female Sexual Power and a World Without Rape

A Suspension of Mercy Patricia Highsmith, 2001-08-17 A major new reissue of the work of a classic noir novelist.

A History of the Senses Robert Jütte, 2005 This path-breaking book examines our attitudes to the senses from antiquity through to the present day. Robert Jutte explores a wealth of different traditions, images, metaphors and ideas that have survived through time and describes how sensual impressions change the way in which we experience the world. Throughout history, societies have been both intrigued or unsettled by the five senses. The author looks at the way in which the social world conditions our perception and traces the 'rediscovery' of sensual pleasure in the twentieth century, paying attention to experiences as varied as fast food, deodorization, and extra-sensory perception. He concludes by exploring technological change and cyberspace, reflecting on how developments in these fields will affect our relationship with the senses in the future.

"Cat Person" and Other Stories Kristen Roupenian, 2019-01-15 *Includes the story “Cat Person”—now a major film* A compulsively readable collection of short stories that explore the complex—and often darkly funny—connections between gender, sex, and power across genres. “These stories are sharp and perverse, dark and bizarre, unrelenting and utterly bananas. I love them so, so much.” —Carmen Maria Machado, National Book Award Finalist and author of Her Body and Other Parties “Kristen Roupenian isn’t just an uncannily great writer, she also knows things about the human psyche...The world has made a lot more sense since reading this book.” —Miranda July, New York Times bestselling author Previously published as You Know You Want This, “Cat Person” and Other Stories brilliantly explores the ways in which women are

horrifying as much as it captures the horrors that are done to them. Among its pages are a couple who becomes obsessed with their friend hearing them have sex, then seeing them have sex...until they can't have sex without him; a ten-year-old whose birthday party takes a sinister turn when she wishes for "something mean"; a woman who finds a book of spells half hidden at the library and summons her heart's desire: a nameless, naked man; and a self-proclaimed "biter" who dreams of sneaking up behind and sinking her teeth into a green-eyed, long-haired, pink-cheeked coworker. Spanning a range of genres and topics—from the mundane to the murderous and supernatural—these are stories about sex and punishment, guilt and anger, the pleasure and terror of inflicting and experiencing pain. These stories fascinate and repel, revolt and arouse, scare and delight in equal measure. And, as a collection, they point a finger at you, daring you to feel uncomfortable—or worse, understood—as if to say, "You want this, right? You know you want this."

This sweet sickness Patricia Highsmith,1978

The Field of Cultural Production Pierre Bourdieu,1993 Analysis of art, literature and aesthetics

What is Urban History? Shane Ewen,2016-09-12 Urban history is a well-established and flourishing field of historical research. Written by a leading scholar, this short introduction demonstrates how urban history draws upon a wide variety of methodologies and sources, and has been integral to the rise of interdisciplinary and comparative approaches to history since the second half of the twentieth century. Shane Ewen offers an accessible and clearly written guide to the study of urban history for the student, teacher, researcher or general reader who is new to the field and interested in learning about past approaches as well as key themes, concepts and trajectories for future research. He takes a global and comparative viewpoint, combining a discussion of classic texts with the latest literature to illustrate the current debates and controversies across the urban world. The historiography of the field is mapped out by theme, including new topics of interest, with a particular focus on space and social identity, power and governance, the built environment, culture and modernity, and the growth and spread of transnational networking. By discussing a number of historic and fast-growing cities across the world, *What is Urban History?* demonstrates the importance of the history of urban life to our understanding of the world, both in the present and the future. As a result, urban history remains pivotal for explaining the continued growth of towns and cities in a global context, and is particularly useful for identifying the various problems and solutions faced by fast-growing megacities in the developing world.

A Midsummer-night's Dream William Shakespeare,1898

Little Tales of Misogyny Patricia Highsmith,1995

Little Tales Of Misogyny Book Review: Unveiling the Magic of Language
