

# Love Theoretically Ali Hazelwood

**Sarah Morgenthaler**

Love on the Brain Ali Hazelwood, 2022-08-23 An Instant New York Times Bestseller A #1 LibraryReads and Indie Next Pick! From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do?

**Under One Roof** Ali Hazelwood, 2022-05-03 A USA Today Bestseller! From the New York Times bestselling author of *The Love Hypothesis* comes a new steamy, STEM-inist novella... A scientist should never cohabitate with her annoyingly hot nemesis—it leads to combustion. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... As an environmental engineer, Mara knows all about the delicate nature of ecosystems. They require balance. And leaving the thermostat alone. And not stealing someone else's food. And other rules Liam, her detestable big-oil lawyer of a roommate, knows nothing about. Okay, sure, technically she's the interloper. Liam was already entrenched in his aunt's house like some glowering grumpy giant when Mara moved in, with his big muscles and kissable mouth just sitting there on the couch tempting respectable scientists to the dark side...but Helena was her mentor and Mara's not about to move out and give up her inheritance without a fight. The problem is, living with

someone means getting to know them. And the more Mara finds out about Liam, the harder it is to loathe him...and the easier it is to love him. To read Sadie and Hannah's stories look for the novellas *Stuck with You* and *Below Zero*, coming soon from Berkley!

**Love, Theoretically** Ali Hazelwood, 2023-06-13 The reigning queen of STEM romance.—The Washington Post An Indie Next and Library Reads Pick! Rival physicists collide in a vortex of academic feuds and fake dating shenanigans in this delightfully STEMinist romcom from the New York Times bestselling author of *The Love Hypothesis* and *Love on the Brain*. The many lives of theoretical physicist Elsie Hannaway have finally caught up with her. By day, she's an adjunct professor, toiling away at grading labs and teaching thermodynamics in the hopes of landing tenure. By other day, Elsie makes up for her non-existent paycheck by offering her services as a fake girlfriend, tapping into her expertly honed people-pleasing skills to embody whichever version of herself the client needs. Honestly, it's a pretty sweet gig—until her carefully constructed Elsie-verse comes crashing down. Because Jack Smith, the annoyingly attractive and arrogant older brother of her favorite client, turns out to be the cold-hearted experimental physicist who ruined her mentor's career and undermined the reputation of theorists everywhere. And he's the same Jack Smith who rules over the physics department at MIT, standing right between Elsie and her dream job. Elsie is prepared for an all-out war of scholarly sabotage but...those long, penetrating looks? Not having to be anything other than her true self when she's with him? Will falling into an experimentalist's orbit finally tempt her to put her most guarded theories on love into practice?

**Witch Please** Ann Aguirre, 2021-09-07 Danica Waterhouse is a fully modern witch--daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family feedback, Danica made a pact with her cousin: they'll keep their hearts protected and have fun, without involving any of the overly opinionated Waterhouse matriarchs. Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever?

**Stuck With You** Ali Hazelwood, 2022-06-07 From the New York Times and Sunday Times bestselling author of *The Love Hypothesis* comes a new steamy, STEMinist novella... Nothing like a little rivalry between scientists to take love to the next level. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different

corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract and rivals make you burn... Logically, Sadie knows that civil engineers are supposed to build bridges. However, as a woman of STEM she also understands that variables can change, and when you are stuck for hours in a tiny New York elevator with the man who broke your heart, you earn the right to burn that brawny, blond bridge to the ground. Erik can apologize all he wants, but to quote her rebel leader - she'd just as soon kiss a Wookiee. Not even the most sophisticated of Sadie's superstitious rituals could have predicted such a disastrous reunion. But while she refuses to acknowledge the siren call of Erik's steely forearms or the way his voice softens when he offers her his sweater, Sadie can't help but wonder if there might be more layers to her cold-hearted nemesis than meet the eye. Maybe, possibly, even burned bridges can still be crossed... To read Mara and Hannah's stories look for the novellas *Under One Roof* and *Below Zero*. Ali Hazelwood's latest novel, *Love on the Brain* is out now.

*Ninja at First Sight* Penny Reid ,2015-11-24 What do a cynical former Marine and a sheltered former Olympic contender have in common? Nothing. Absolutely nothing. He has a girlfriend and she's never been kissed. He's sullenly sarcastic and she's earnestly empathetic. He can't stop thinking about her. She knows she should keep her distance. Nevertheless, when opposites attract, the results may be unexpected, but they're also undeniably magnetic. '*Ninja at First Sight*' is a standalone, prequel novella (for book 5 of the *Knitting in the City Series*, '*Happily Ever Ninja*') and is 40k words.

*Love, Theoretically* Ali Hazelwood,2023-06-13 Rival physicists collide in a vortex of academic feuds and fake dating shenanigans in this delightfully STEM-inist romcom from the New York Times bestselling author of *The Love Hypothesis* and *Love on the Brain*. The many lives of theoretical physicist Elsie Hannaway have finally caught up with her. By day, she's an adjunct professor, toiling away at grading labs and teaching thermodynamics in the hopes of landing tenure. By other day, Elsie makes up for her non-existent paycheck by offering her services as a fake girlfriend, tapping into her expertly honed people-pleasing skills to embody whichever version of herself the client needs. Honestly, it's a pretty sweet gig—until her carefully constructed Elsie-verse comes crashing down. Because Jack Smith, the annoyingly attractive and arrogant older brother of her favorite client, turns out to be the cold-hearted experimental physicist who ruined her mentor's career and undermined the reputation of theorists everywhere. And he's the same Jack Smith who rules over the physics department at MIT, standing right between Elsie and her dream job. Elsie is prepared for an all-out war of scholarly sabotage but...those long, penetrating looks? Not having to be anything other than her true self when she's with him? Will falling into an experimentalist's orbit finally tempt her to put her most guarded theories on love into practice?

**The Tourist Attraction** Sarah Mergenthaler,2020-05-05 Curl up with a quirky small-town Alaskan rom-com that'll leave you laughing over: A grumpy local and the sunny tourist who turns his world upside down A rogue moose who threatens to steal every scene A vacation you'll never forget And a sweet romance that doesn't need to scald the pages to burn its way into

your heart He had a strict no tourists policy...until she broke all of his rules. When Graham Barnett named his diner The Tourist Trap, he meant it as a joke. Now he's stuck slinging reindeer dogs to an endless parade of resort visitors who couldn't interest him less. Not even the sweet, enthusiastic tourist in the corner who blushes every time he looks her way... Two weeks in Alaska isn't just the top item on Zoey Caldwell's bucket list. It's the whole bucket. One look at the mountain town of Moose Springs and she's smitten. But when an act of kindness brings Zoey into Graham's world, she may just find there's more to the grumpy local than meets the eye...and more to love in Moose Springs than just the Alaskan wilderness. This story of Alaska marries together all the things you didn't realize you needed: a whirlwind vacation, a friendly moose, a grumpy diner owner, a quirky tourist, plenty of restaurant humor, and a happy ending that'll take you away from it all.

**Words We Never Say** Heidi Dischler, 2021-04-18 A magnetic story that builds with emotion and drama. - Readers' Favorite Fans of Jennifer L. Armentrout's *If There's No Tomorrow* and Amber Smith's *The Way I Used to Be* will enjoy this heartfelt story detailing the overwhelming weight of grief, but the remarkable healing power of forgiveness. Emery McQuain doesn't have a perfect life: she's not sure if she loves her boyfriend (who definitely loves her), Emery doesn't know what she wants to do in college (which is only three months away), and her mother is acting depressed for reasons Emery can't even begin to understand. One thing is for sure, though: she's profoundly happy despite everything else that is going on. That is, until she, her mother, and younger brother get in a hit-and-run accident that kills everyone except Emery and the driver who left them there to die. Now, plagued by nightmares of the crash, Emery has to learn how to be happy again. But with a father who wishes his wife were alive instead, it may be a little harder than she expected. Until she meets Grayson. Grayson lost his mother--he knows what it feels like to be alone--and he just might be the only person who understands Emery. When they grow closer, Emery is sure that she can heal and be happy again, but she can't help but feel like something isn't right. As her nightmares continue to haunt her, Emery has to wonder: is Grayson really helping her heal? Or is there something inside of her that can never be fixed?

**Loathe To Love You** Ali Hazelwood, 2023-01-03 Three irresistible short stories by the global phenomenon Ali Hazelwood, now available together in paperback for the first time, with an exclusive bonus chapter. *Mara*, *Sadie*, and *Hannah* are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love and science, opposites attract, and rivals make you burn.... Under One Roof An environmental engineer discovers that scientists should never cohabitate when she finds herself stuck with the roommate from hell - a detestable big-oil lawyer who won't leave the thermostat alone. Stuck with You A civil engineer and her nemesis take their rivalry - and love - to the next level when they get stuck in a New York elevator. Below Zero A NASA aerospace engineer's frozen heart melts as she lies injured and stranded at a remote Arctic research station and the only person willing to undertake the dangerous rescue mission is her longtime rival. Ali Hazelwood's latest novel, *Love on the*

Brain is out now.

***The Kiss Quotient*** Helen Hoang, 2021-04-27 From the author of *The Bride Test* comes a romance novel hailed as one of The Washington Post's 50 Notable Works of Fiction in 2018 and one of Amazon's Top 100 Books of 2018! "This is such a fun read and it's also quite original and sexy and sensitive."—Roxane Gay, New York Times bestselling author "Hoang's writing bursts from the page."—Buzzfeed A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick. Stella Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases—a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old. It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice—with a professional. Which is why she hires escort Michael Phan. The Vietnamese and Swedish stunner can't afford to turn down Stella's offer, and agrees to help her check off all the boxes on her lesson plan—from foreplay to more-than-missionary position... Before long, Stella not only learns to appreciate his kisses, but craves all of the other things he's making her feel. Their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic...

***Bend Toward the Sun*** Jen Devon, 2022-08-09 Perfect for fans of *Every Summer After* and *Lucy Score*, *Bend Toward the Sun* is an angsty slow-burn romance between two complicated, imperfect people—and a love story you'll never forget. "A steamy romance about humans' ability to grow and heal."—Ali Hazelwood, New York Times bestselling author of *Love, Theoretically* Guarded, self-reliant botanist Rowan McKinnon doesn't believe in love. With her new PhD, two steadfast best friends, and the occasional no-strings sex, she's convinced she has everything she needs. When an academic setback throws her off course, she takes on the restoration of an overgrown vineyard to re-center herself and her career. Dr. Harrison Brady is in an emotional freefall. Since losing a patient, he no longer believes he can keep people safe. Hoping rural sunshine and the hard labor of renovation work will help him heal, Harry heads home to Pennsylvania, where his family has just bought a long-abandoned vineyard. The last thing Rowan and Harry expect is each other. Despite deeply different views on life and love, their chemistry is explosive, their connection magnetic. Even though their time at the vineyard is only temporary, Harry is compelled to explore the undeniable pull between them. Rowan is committed to protecting her heart at all costs. But some things are too powerful—and too right—to be ignored. "Intoxicatingly sensual and undeniably sexy." – Mazey Eddings, author of *The Plus One* Don't miss Jen Devon's sizzling second-chance romance *Right Where We Left Us*!

***Kissing Tolstoy*** Penny Reid, 2022-11-08 They can't keep their hands off each other, which wouldn't be a problem except he's her new professor . . . What do you do when you discover that your super-hot blind date from months ago is now your super-hot Russian Lit professor? You overthink everything and pray for a swift end to your misery, of course! 'Kissing Tolstoy'

is the first book in the Dear Professor series, is 46k words, and can be read as a standalone. A shorter version of this story (28k words) was entitled 'Nobody Looks Good in Leather Pants' and was available via Penny Reid's newsletter for free over the course of 2017.

*Immortal Rising* Lynsay Sands, 2022-04-26 The Argeneaus are back! Filled with love, passion, and adventure, New York Times bestselling author Lynsay Sands returns with another sexy romance about everyone's favorite immortals. Stephanie McGill was attacked and turned when she was just a teenager. Worse, her abilities are unlike any other immortal. Now 13 years later, with the help of her adopted Argeneau family, Steph has carved out a new – if not lonely – life for herself. Until a new neighbor arrives... Thorne is also one-of-a-kind. The result of a genetic experiment, he's not an immortal, but he's not mortal either. He's looking for a place to hide, to get some peace and quiet so he can figure things out, and Stephanie's sanctuary is perfect. In fact, Stephanie is perfect. For the first time, Thorne is free to be himself and he's falling for her. But if they're going to have a future together, they'll first need to deal with their past...because the mad scientist who created Thorne is now after Stephanie.

*The Lady Tempts an Heir* Harper St. George, 2022-02-22 One of Oprah Daily's Most Anticipated Romances of 2022! A fake engagement brings together a lady with bold and daring dreams, and the heir whose heart she captured—perfect for fans of *Bridgerton*! Tall, dark, and brooding—to say that American Maxwell Crenshaw stood out in the glittering ballrooms of London is an understatement. He vowed never to set foot in England again, but when a summons from his father along with an ultimatum to secure his legacy has him crossing the Atlantic for the last time, reuniting him with the delectable Lady Helena March, he can't deny the temptation she presents. Or the ideas she inspires... Lady Helena March is flirting with scandal. Instead of spending her time at teas and balls in search of another husband, as is expected of a young widow, Helena pours her energy into The London Home for Young Women. But Society gives no quarter to unmarried radicals who associate with illegitimate children and fallen women, and Helena's funding is almost run out. So when the sinfully seductive Crenshaw heir suggests a fake engagement to save them both—him from an unwanted marriage and her from scorn and financial ruin—Helena finds herself too fascinated to refuse the sexy American. As their arrangement of convenience melts oh so deliciously into nights of passion, their deception starts to become real. But if Max knew the true reason Helena can never remarry, he wouldn't look at her with such heat in his eyes. Or might the Crenshaw heir be willing to do whatever it takes to win the one woman he's never been able to forget...

**Kisses and Croissants** Anne-Sophie Jouhanneau, 2022-04-05 As sweet as a macaron from Laduree, this romantic novel set in Paris about an American ballerina and a charming French boy is parfait! And don't miss Anne-Sophie's swoony FRENCH KISSING IN NEW YORK! Mia Jenrow has always known she's destined to be a professional ballerina. In fact, it's in her blood—according to family legend, her too-many-greats-to-count-grandmother once danced for the Paris Opera and was

painted by Degas himself! Her parents say it's just a fantasy, but to Mia it's so much more than that. It's her fate. Mia is planning to spend a magical summer in France pursuing her dream, but as she pirouettes into Paris, she soon realizes it may be a bit more complicated than she hoped. For starters, there's her rival, Audrey, who will stop at nothing to show her up. There's her ballet instructor, whose impossibly high standards push her to the breaking point. And then . . . there's Louis. Devastatingly, distractingly charming Louis. He's eager to show Mia his city—and Mia is more than happy to hop on his Vespa and wrap her arms around him as they pass the gleaming lights of the Eiffel Tower. Mia's summer was supposed to be about ballet—but there's a reason Paris is called the City of Love. . . .

**Last Duke Standing** Julia London, 2022-02-22 A princess in need of a husband. A rake not in want of a wife.

**The Poppy War** R. F. Kuang, 2018-05-01 One of Time Magazine's 100 Best Fantasy Books of All Time "I have no doubt this will end up being the best fantasy debut of the year...I have absolutely no doubt that [Kuang's] name will be up there with the likes of Robin Hobb and N.K. Jemisin." -- Booknest From #1 New York Times bestselling author of Babel and Yellowface, the brilliantly imaginative debut of R.F. Kuang: an epic historical military fantasy, inspired by the bloody history of China's twentieth century and filled with treachery and magic, in the tradition of Ken Liu's *Grace of Kings* and N.K. Jemisin's *Inheritance Trilogy*. When Rin aced the Keju—the Empire-wide test to find the most talented youth to learn at the Academies—it was a shock to everyone: to the test officials, who couldn't believe a war orphan from Rooster Province could pass without cheating; to Rin's guardians, who believed they'd finally be able to marry her off and further their criminal enterprise; and to Rin herself, who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard—the most elite military school in Nikan—was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power—an aptitude for the nearly-mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive—and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War, and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away . . . Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity . . . and that it may already be too late.

**Darker Water** Lauren Stewart, 2014-10-03 After another painful breakup, Laney Temple finally understands that love is a fairytale and sex rarely comes with a happy ending. She's too busy for it right now anyway04she has a business to run, art to

create, and candy to crush. Sure, eventually she'll be ready to switch from her plastic-or-silicon lover to a flesh-and-blood one. But before that happens, she needs to be sure she won't feel any of those annoying emotions that make her heart do things it wasn't meant to do...Like breakCarson Bennett is completely upfront about what he wants, and it has nothing to do with Laney's heart. Her lips? Hell yeah. Other parts of her body? You better f\*cking believe it. But her heart? Nope, not even a little. Until it does...a lot. But having feelings for someone isn't allowed. It's the kind of thing you're supposed to push down deep and cover up with one-night stands, sarcasm, and booze...Like secretsTwo people want the same thing04a commitment to nothing more than great sex in a bunch of different positions. Simple. Enjoyable. A win-win. Problem is, those two people have families and fears and pain that spill into every moment of their lives, control what they do and who they are. And if either Carson or Laney can't free themselves from the past, they'll both be pulled under by it.\*\*DARKER WATER is a standalone contemporary romance (no cliffhanger)

*Emergency Contact* Mary H. K. Choi,2019-11-07 'Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book' - Rainbow Rowell ----- From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory - perfect for fans of Eleanor & Park and To All the Boys I've Loved Before. For Penny Lee high school was a total non-event. Her friends were okay, her grades were fine, and while she somehow managed to land a boyfriend, he doesn't actually know anything about her. When Penny heads to college in Austin, Texas, to learn how to become a writer, it's seventy-nine miles and a million light years away from everything she can't wait to leave behind. Sam's stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his bank account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch - via text - and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to see each other.
