Solomon Says Mark Horne,2020-03-09 If you don't learn to govern yourself, you will be governed by others, and your own impulses will be the reins they use to lead you. That's how Mark Horne's new book, *Solomon Says: Directives for Young Men*, captures Solomon's warning to young men in the Book of Proverbs, advising them how to avoid sinful lifestyles and seek the wisdom of kings.

Legacy of the Brightwash Krystle Matar,2021-02-18 Follow the law and you'll stay safe. But what if the law is wrong? Tashué's faith in the law is beginning to crack. Three years ago, he stood by when the Authority condemned Jason to the brutality of the Rift for non-compliance. When Tashué's son refused to register as tainted, the laws had to be upheld. He'd never doubted his job as a Regulation Officer before, but three years of watching your son wither away can break down even the strongest convictions. Then a dead girl washed up on the bank of the Brightwash, tattooed and mutilated. Where had she come from? Who would tattoo a child? Was it the same person who killed her? Why was he the only one who cared?

Shantaram Gregory David Roberts,2004-10-13 Now a major television series from Apple TV+ starring Charlie Hunnam! "It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured." An escaped convict with a false passport, Lin flees maximum security prison in Australia for the teeming streets of Bombay, where he can disappear. Accompanied by his guide and faithful friend, Prabaker, the two enter the city's hidden society of beggars and gangsters, prostitutes and holy men, soldiers and actors, and Indians and exiles from other countries, who seek in this remarkable place what they cannot find elsewhere. As a hunted man without a home, family, or identity, Lin searches for love and meaning while running a clinic in one of the city's poorest slums, and serving his apprenticeship in the dark arts of the Bombay mafia. The search leads him to war, prison torture, murder, and a series of enigmatic and bloody betrayals. The keys to unlock the mysteries and intrigues that bind Lin are held by two people. The first is Khader Khan: mafia godfather, criminal-philosopher-saint, and mentor to Lin in the underworld of the Golden City. The second is Karla: elusive, dangerous, and beautiful, whose passions are driven by secrets that torment her and yet give her a terrible power. Burning slums and five-star hotels,

romantic love and prison agonies, criminal wars and Bollywood films, spiritual gurus and mujaheddin guerrillas—this huge novel has the world of human experience in its reach, and a passionate love for India at its heart.

Can Christians embrace God fully by exploring other faith traditions? In Not All Who Wander, we discover that we do indeed find Jesus in a church, and traces of him in our everyday lives as well. Not All Who Wander walks readers through the author's faith journey, and how her experience with churches in a number of traditions has left her longing for more of Jesus than any one church offers. It also presents stories from other believers to give readers a sense of how alike, and different, our spiritual experiences can be. Rhoades has developed a passion for discovering all the ways we worship Jesus and invites readers to join her. With utter delight, she's discovered no matter which traditions she worships with, Jesus meets her there.

The Return of the King John Ronald Reuel Tolkien,2005 The Return of the King is the third part of JRR Tolkien's epic

masterpiece The Lord of the Rings. This 50th anniversary edition features special packaging and is the first paperback edition to include the definitive edition of the text. Impossible to describe in a few words, JRR Tolkien's great work of imaginative fiction has been labelled both a heroic romance and a classic fantasy fiction. By turns comic and homely, epic and diabolic, the narrative moves through countless changes of scene and character in an imaginary world which is totally convincing in its detail. Tolkien created a vast new mythology in an invented world which has proved timeless in its appeal. Now, to celebrate the 50th anniversary of its first publication, the text has been fully restored with almost 400 corrections - with the full co-operation of Christopher Tolkien - making it the definitive version of the text, and as close as possible to the version that J.R.R. Tolkien wanted. In addition to now having the definitive version of the text, this paperback features special packaging to commemorate the golden anniversary of the Nation's Big Read.
