When You Least Expect It Haley Cass, 2020-11-17 Caroline Parker knows three things to be true. First, she is going to be Boston's most sought after divorce attorney by thirty-five. Second, given how terrible her romantic track record is, falling in love isn't in the cards for her. And third, Christmas only brings her bad luck - being broken up with not once, not twice, but three times during the holidays is proof enough of that. When she runs into Hannah Dalton on Christmas Eve, she has no reason to believe her luck will change. After all, though Hannah is probably the most gorgeous woman she's ever seen, she's also straight. And married to Caroline's work rival. While being hired by Hannah throws her for a loop, winning a divorce case and sticking it to her ex-colleague should be enough of a thrill. But as the months slip by, bringing her closer to both Hannah and her adorable daughter Abbie, the lines between attorney and client begin to blur. And she could have never predicted just how much she wants them to.

Ask, Tell E. J. Noyes, 2017-01-01 Where can you turn when you're caught in a crossfire of war and passion? Captain Sabine Fleischer is a skilled and dedicated U.S. Army surgeon deployed to a combat hospital in Afghanistan. She is also one of the thousands of troops who are forced to serve in silence because of the military's anti-gay policy of "Don't Ask, Don't Tell (DADT)." Usually driven and focused, Sabine finds that battles raging both inside and outside the perimeter walls are making it more and more difficult for her to deal with her emotions. Dealing with loss and mortality, lack of privacy, sleep deprivation, loneliness and the isolation forced on her by "Don't Ask, Don't Tell" are all taking their toll. Plus, her long-term relationship with a civilian back home is quickly becoming another casualty of war. Colonel Rebecca Keane is an enigmatic career officer who runs the surgical unit like clockwork. Well liked and respected by those who work with and under her, she walks a fine line to preserve the military's chain of command while connecting with those under her care and supervision. Sabine knows the Colonel is way off-limits, but can't help fantasizing about her. Especially when she starts picking up unspoken cues—a stolen glance, a secret smile, an "accidental" brush of hands. Or is it just wishful thinking? After all, Rebecca's wedding ring shines almost as brightly as her deep blue eyes...

Wait For It Jenn McKinlay, 2021-08-10 A woman looking for a new lease on life moves to Arizona where she rents a guest house on a gorgeous property with a mysterious owner—a man who teaches her about resilience, courage, and ultimately true love, in this funny, bighearted novel about hope and healing from New York Times bestselling author Jenn McKinlay. Stuck in a dreary Boston winter, Annabelle Martin would like nothing more than to run away from her current life. She's not even thirty years old, twice-divorced, and has just dodged a marriage proposal... from her ex-husband. When she's offered her dream job as creative director at a cutting-edge graphic design studio in Phoenix, she jumps at the opportunity to start over. When she arrives in the Valley of the Sun, Annabelle is instantly intrigued by her anonymous landlord. Based on the cranky, handwritten notes Nick Daire leaves her, she assumes he is an old, rich curmudgeon. Annabelle is shocked when she finally meets Nick and discovers that he's her age and uses a wheelchair. Nick suffered from a stroke a year ago, and while there's no physical reason for him not to recover, he is struggling to overcome the paralyzing fear that has kept him a prisoner in his own home. Despite her promise to herself not to get involved, Annabelle finds herself irresistibly drawn to Nick. And soon she wonders if she and Nick might help each other find the courage to embrace life, happiness, and true love.

Catch and Cradle Katia Rose, 2021-05-17 Thou shalt not date thine teammates. The UNS Women's Lacrosse team doesn't have an official policy against inter-teammate relationships, but those words might as well be carved into stone tablets in the middle of the field. After witnessing way too much drama in the past, Captain Becca Moore is intent on keeping her players' love lives out of the locker room. Becca has no time or tolerance for any distractions from the game. Unfortunately, that's

exactly what Hope Hastings has been since the day she showed up for tryouts: one walking, talking, charismatically dorky and way-too-kissable distraction. Hope knew she was headed straight to the danger zone from the moment she saw Becca's flame-red hair and surly captain smirk. She's spent the past two years writing off her attraction as a harmless crush, but starting a new semester fresh out of an awful relationship makes Hope realize just how far from harmless the heat between her and Becca really is. The friendships of a tight-knit team and their shot at the title are all lying on the line, but as Hope and Becca get closer to bending rules they've sworn never to break, they realize they've put their hearts on that line too. Losing has never been an option, but winning might cost more than they're willing to pay. *Catch and Cradle* is a New Adult F/F romance from Katia Rose that's filled with all the hilarity and heartache of finding your way through college while discovering love, friendship, and what it means to be yourself.

Delilah Green Doesn't Care Ashley Herring Blake, 2022-02-22 A clever and steamy queer romantic comedy about taking chances and accepting love—with all its complications—from the author of *Astrid Parker Doesn't Fail*. Delilah Green swore she would never go back to Bright Falls—nothing is there for her but memories of a lonely childhood where she was little more than a burden to her cold and distant stepfamily. Her life is in New York, with her photography career finally gaining steam and her bed never empty. Sure, it's a different woman every night, but that's just fine with her. When Delilah's estranged stepsister, Astrid, pressures her into photographing her wedding with a guilt trip and a five-figure check, Delilah finds herself back in the godforsaken town that she used to call home. She plans to breeze in and out, but then she sees Claire Sutherland, one of Astrid's stuck-up besties, and decides that maybe there's some fun (and a little retribution) to be had in Bright Falls, after all. Having raised her eleven-year-old daughter mostly on her own while dealing with her unreliable ex and running a bookstore, Claire Sutherland depends upon a life without surprises. And Delilah Green is an unwelcome surprise...at first. Though they've known each other for years, they don't really know each other—so Claire is unsettled when Delilah figures out exactly what buttons to push. When they're forced together during a gauntlet of wedding preparations—including a plot to save Astrid from her horrible fiancé—Claire isn't sure she has the strength to resist Delilah's charms. Even worse, she's starting to think she doesn't want to...
