Forming and Operating California Limited Liability Companies Richard G. Burt, 1995-01-01

Introduction to Business Lawrence J. Gitman, Carl McDaniel, Amit Shah, 2023-05-19

Guide to Limited Liability Companies Tom Cody, Dem A. Hopkins, Lawrence A. Perlman, Linda L. Kalteux, 2007 This revised handbook provides a concise discussion of the limited liability company (LLC), the popular alternative business form for small- and medium-sized enterprises that strategically combines the pass-through tax advantages and operational flexibility of the partnership with the limited liability of the corporation. The Guide explains, in clear language, key information about the benefits available within the LLC format, and a synopsis of each state's LLC statute enables you to quickly identify relevant planning opportunities or potential pitfalls. Book jacket.

Limited Liability Companies For Dummies® Jennifer Reuting, 2010-12-07 Flex your entrepreneurial muscle with an LLC The previous drawbacks to forming an LLC have all but disappeared. The IRS has loosened the restrictions on entities electing partnership taxation and subsequently the states have loosened their requirements. Because LLCs are now more flexible entities than any that have ever existed, they remain an attractive option for those launching a new or relaunching an existing business. *Limited Liability Companies For Dummies* is a clear, concise guide that explains the pros and cons of LLCs and shares insider insights on everything from choosing your members and your company name to creating and filing your Articles of Organization, to the day-to-day operation of your LLC. Plus, you'll find the most current, real-world advice on customizing an LLC for your specific business needs. The latest information on federal taxes and fees New filing requirements and coverage of setting up real estate LLCs and LLCs among family members Accompanying CD includes updated tools and forms It's full-steam ahead for LLCs, and this hands-on guide addresses everything you need to know and more!

Strategic Management (color), 2020-08-18 *Strategic Management* (2020) is a 325-page open educational resource

designed as an introduction to the key topics and themes of strategic management. The open textbook is intended for a senior capstone course in an undergraduate business program and suitable for a wide range of undergraduate business students including those majoring in marketing, management, business administration, accounting, finance, real estate, business information technology, and hospitality and tourism. The text presents examples of familiar companies and personalities to illustrate the different strategies used by today's firms and how they go about implementing those strategies. It includes case studies, end of section key takeaways, exercises, and links to external videos, and an end-of-book glossary. The text is ideal for courses which focus on how organizations operate at the strategic level to be successful. Students will learn how to conduct case analyses, measure organizational performance, and conduct external and internal analyses.

Taxpayer's Comprehensive Guide to LLCs and S Corps Jason Watson, 2014-09-03 How can I avoid self-employment taxes? This simple question was the inspiration for creating an article describing the benefits of an S Corporation. That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on the Watson CPA Group website. The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer's Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer's Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That's in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

LLC Vs. S-Corp Vs. C-Corp: Explained in 100 Pages Or Less Mike Piper,2018-04-10 The LLC, S-Corp, or C-Corp question is one of essential importance: Make the right decision, and you'll be paying less tax; you'll know your personal assets are protected from lawsuits against your business; and you might even save yourself some money on accounting and legal fees. Make the wrong decision, and you'll be paying an unnecessary amount of tax; you'll be wasting money on legal bills; and you'll be only a lawsuit away from losing your home and other personal assets. Find the following, explained in plain-English with no legal jargon: The basics of sole proprietorship, partnership, LLC, S-Corp, and C-Corp taxation. How to protect your personal assets from lawsuits against your business. When the protection offered by an LLC will work. (And more importantly, when it will not!) Which business structures could reduce your federal income tax or self-employment tax.
