*Gold Cure* Ted Mathys, 2020-09-15 Lustrous, tender, and expansive, *Gold Cure* moves from boomtown gold mines and the mythical city of El Dorado to the fracking wells of the American interior, excavating buried histories, legacies of conquest, and the pursuit of shimmering ideals. Ted Mathys skewers police brutality on the ribs of a nursery rhyme and drives Petrarchan sonnets into shale fields deep under the prairies. **Glitter** Nicole Seymour, 2022-06-02 *Object Lessons* is a series of short, beautifully designed books about the hidden lives of ordinary things. Glitter reveals the complexity of an object often dismissed as frivolous. Nicole Seymour describes how glitter's consumption and status have shifted across centuries—from ancient cosmetic to queer activist tool, environmental pollutant to biodegradable accessory—along with its composition, which has variously included insects, glass, rocks, salt, sugar, plastic, and cellulose. Through a variety of examples, from glitterbombing to glitter beer, Seymour shows how this substance reflects the entanglements of consumerism, emotion, environmentalism, and gender/sexual identity. *Object Lessons* is published in partnership with an essay series in *The Atlantic*.

A young royal from the far north, is sent south for a political marriage in an empire reminiscent of imperial China. Her brothers are dead, her armies and their war mammoths long defeated and caged behind their borders. Alone and sometimes reviled, she must choose her allies carefully. Rabbit, a handmaiden, sold by her parents to the palace for the lack of five baskets of dye, befriends the emperor's lonely new wife and gets more than she bargained for. At once feminist high fantasy and an indictment of monarchy, this evocative debut follows the rise of the empress In-yo, who has few resources and fewer friends. She's a northern daughter in a mage-made summer exile, but she will bend history to her will and bring down her enemies, piece by piece. The Hugo Award-winning *Singing Hills Cycle* The Empress of Salt and Fortune When the Tiger Came Down the Mountain Into the Riverlands Mammoths at the Gates The Brides of High Hill The novellas of The Singing Hills Cycle are linked by the cleric Chih, but may be read in any order, with each story serving as an entry point. Praise for *The Empress of Salt and Fortune* “An elegant gut-punch, a puzzle box that unwinds itself in its own way and in its own time. I cannot recommend it highly enough. Gorgeous. Cruel. Perfect. I didn't know I needed to read this until I did.”—Seanan McGuire A tale of rebellion and fealty that feels both classic and fresh, *The Empress of Salt and Fortune* is elegantly told, strongly felt, and brimming with rich detail. An epic in miniature, beautifully realised.—Zen Cho Nghi Vo's gracefully told debut . . . resides in the intimate margins of its (beautifully imagined) world's history, portraying how the marginalized may yet shape those narratives and harness the power of stories.—Indrapramit Das At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Can't Hurt Me* David Goggins,2020-03-10 For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story

illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

*The Glitter and the Gold* Consuelo Vanderbilt Balsan,2011 Consuelo Vanderbilt was young, beautiful and the heir to a vast family fortune. She was also deeply in love with an American suitor when her mother chose instead for her to fulfil her social ambitions and marry an English Duke. Leaving her life in America, she came to England as the Duchess of Marlborough in 1895 and took up residence in her new home - Blenheim Palace. The 9th Duchess gives unique first-hand

insight into life at the very pinnacle of English society in the Edwardian era. An unsnobbish, but often amused observer of the intricate hierarchy both upstairs and downstairs at Blenheim Palace, she is also a revealing witness to the glittering balls, huge weekend parties and major state occasions she attended or hosted. Here are her encounters with every important figure of the day - from Queen Victoria, Edward VII and Queen Alexandra to Tsar Nicholas, Prince Metternich and the young Winston Churchill. Causing a scandal by separating from the Duke after 11 years, Consuelo began her new life as philanthropist, public speaker and campaigner for women's suffrage. Her literary soirees would include H G Wells, JM Barrie and George Bernard Shaw. In 1921 she remarried aviator Jacques Balsan moving with him to a chateau in the South of France. This intimate, richly enjoyable memoir is a wonderfully revealing portrait of a golden age.

**The Collective** Lindsey Whitlock, 2019-08-29 A dramatic coming-of-age novel about a boy's divided loyalty: can Elwyn resist the pull of tradition as well as the allure of the new to forge his own path? Even though Elwyn's ears were full of the roar of wings, even though the birds dropped from the sky, even though the thrill of the hunt was pumping through his body, below all that, Elwyn felt a restlessness. The restlessness had been growing all winter, maybe all his life. As spring comes to Badfish Creek, the natural world bursts with life and excitement. But Elwyn is dreaming of a different change, of a place far away that he hasn't yet seen. Lured by urban life and all it has to offer - education, progress and opportunity - he doesn't think twice when his uncle invites him to stay in Liberty, a dazzling city he longs to call home. Yet soon Elwyn realises that all that glitters is not gold: there is a sinister side to Liberty that he can't ignore, which threatens to erase his old way of life completely. With past and present pitted against one another, the path to Elwyn's future is cast in doubt - for change always comes at a price. Lindsey Whitlock is a Midwestern writer preoccupied by places, people and how to live well. She writes from Madison Wisconsin, where she lives with her husband and three children. *The Collective* is her debut novel.
