Ten Stupid Things Men Do to Mess Up Their Lives Laura Schlessinger,2002-12-03 For every woman who wants to know what her man is thinking. Internationally syndicated radio superhost and columnist, controversial psycho-therapist, and author of the break-out New York Times bestsellers *How Could You Do That?!* and *Ten Stupid Things Women Do to Mess Up Their Lives*, Dr. Laura Schlessinger is back with *Ten Stupid Things Men Do to Mess Up Their Lives*. In ten vital, compelling chapters, Dr. Laura speaks her mind on: Stupid Chivalry By getting involved with the wrong woman (weak, flaky, damaged, needy, desperate, stupid, untrustworthy, immature, etc.) you think that your love will save/transform her. Stupid Independence Unwilling to admit need for bonding and intimacy, you hide in excesses of work, play, drink, drugs, porn, and meaningless sex. Stupid Ambition Unable to comfortably and proudly accept your inherent importance to society and family as husband and father, you bow to the false idols of money, toys, power, and status. Stupid Strength Uncomfortable with feeling weak, vulnerable, useless, powerless, or rejected, you use intimidation, force, or passive-aggressiveness to regain control. Stupid Sex Taking an attraction, opportunity, or erection as a sign, you measure your masculinity and power by sexual conquests, infidelities, and orgasms. Stupid Matrimony Lacking a mature sense of the purpose, meaning, or value of marriage, you realize too late you've gone down the aisle with the wrong woman for the wrong reasons and feel helpless to fix it. Stupid Husbanding Thinking that marriage is the honorable discharge from loving courtship, you continue to live as though you were single and your mommy-wife will take care of everything else. Stupid Parenting Believing that only women/mothers nurture children, you withdraw from hands-on parenting to assert your masculine importance, missing out on the true soul food of a child's hug. Stupid Boyishness Having not yet worked out a comfortable emotional and social understanding with your mother, you form relationships with women that become geared to avenge, resolve, or protect you from your ties to Mommy. Stupid Machismo Understanding the true and meaningful difference between being male and a man, you can become a man.

Building on the principles developed during her long career as a licensed Marriage and Family Therapist, Dr. Laura provides a wealth of advice and support as well as compassion and inspiration to help them attain this goal. Ten Stupid Things Couples Do to Mess Up Their Relationships Dr. Laura Schlessinger, Laura Schlessinger, 2001-12-24 Have you ever withheld information from your spouse or partner for fear of rejection? Do you feel that your own needs come before your relationship? Do you continue to cling to past relationships, even at the expense of your current one? Do you put your work first, even if it means you never see your family? Are you in a destructive relationship? If you answered yes to any of these questions, then Dr. Laura has some hard truths for you to face. Dr. Laura Schlessinger is an expert on the stupid things men and women do to sabotage themselves and their happiness. In her earlier bestsellers, *Ten Stupid Things Women Do to Mess Up Their Lives* and *Ten Stupid Things Men Do to Mess Up Their Lives*, she urged her readers to take responsibility for their actions and to respect themselves and the people in their lives. Now the popular radio talk-show host tackles another difficult, complicated issue: the ways in which women and men hurt themselves and one another in their romantic relationships. Using real-life situations from her radio call-in show and from listeners'

letters, Dr. Laura offers firm yet compassionate advice on how to find greater happiness in life and in love. She urges couples to set their priorities straight, learn the difference between privacy and secrecy, stop making stupid excuses for their mistakes, and face their responsibilities to each other and to their families. Too often individuals in relationships ask only what the relationship can do for them, not what they can do for the relationship. Too many people are jumping into intimate relationships before taking the time to get to know each other. In *Ten Stupid Things Couples Do to Mess Up Their Relationships*, Dr. Laura calls for a return to traditional courtship. Courtship allows couples and their families to get acquainted with one another over a longer period of time and provides structure and guidelines for that important process. She asks couples to take a long, hard look at the recurring problems in their marriages -- both small and large -- and doesn't hesitate to tell them what they are doing wrong and how they can fix them. This is an invaluable guide for all married couples -- newlyweds and grandparents alike -- and for single people who are struggling to find the right mate or to escape a bad relationship. Acknowledging your stupid mistakes can be difficult, but with the help of this book you will learn how to correct them and how to find fulfillment, joy, and loving companionship in your most important relationship.

But when a beautiful beekeeper arrives to take care of the pests, Agatha may be in danger of being stung by something far more dangerous . . . Penelope Flood exists between two worlds in her small seaside town, the society of rich landowners and the tradesfolk.
