

Billy Graham Y William Branham

Rev. Raymond Jackson

Supernatural William Branham, 2013-07 Paradoxically, as 1954 came to an end William Branham was not satisfied. He thought his supernatural gift should have revolutionized the Christian world, broken down denominational barriers, and brought all Christians together in oneness of spirit, purpose and doctrine. It had not. He decided the reason for this failure was because many Christians did not understand the God they were trying to worship. To remedy this problem, Bill felt led to teach more doctrine in his evangelistic campaigns, explaining the fundamentals of the Christian faith. This decision produced some unexpected results. During 1955, attendance at his faith-healing campaigns declined sharply. Evidently, people welcomed miracles as long as they didn't have to change their own ideas. Some people felt he should concentrate on divine healing and leave the teaching to the pastors, or teachers who had more education.

WWE Legends - Superstar Billy Graham Billy Graham, 2010-05-11 I'm the man of the hour, Superstar Billy Graham told his audiences, the man with the power. Too sweet to be sour! Despite years of devastating health issues (a long history of drug abuse led to a liver transplant in 2002), the man regarded as one of the most influential professional wrestlers of the past thirty years still flaunts the same optimism that made his interviews as compelling as his matches. In *Tangled Ropes*, his autobiography, Graham remembers his victories -- and his setbacks -- on both the wrestling and the evangelism circuits in vibrant detail. At his core, Graham is still Wayne Coleman, the artistic, curious boy who escaped the wrath of his disabled father in post-war Phoenix through painting, sports, and bodybuilding. When his photo appeared in a bodybuilding magazine, the young man caught the attention of a family in Texas who began praying for his soul. Soon, Wayne found religion at a revival meeting, then mortified his parents as he left home to bend steel, rip phone books in half, and preach the Gospel on the back roads of America. Because of his natural athleticism, Wayne held a series of jobs -- from bouncer to boxer, from repo man to football player. However, it was under the training of the Mentor of Mayhem, Stu Hart, that the wrestler was revealed. Then the fading headliner Dr. Jerry Graham bleached Wayne's hair blond and transformed him into an in-ring brother. Still reverent of men of faith, Coleman became Billy Graham, after the preacher. Graham completed the package with his golden tan and enormous pythons, a succession of color-coordinated outfits and jive-talking -- a persona imitated by countless wrestlers, including Hulk Hogan and Jesse The Body Ventura. The Superstar's greatest wrestling achievement came in 1977, when he took the World Wide Wrestling Federation Championship from Bruno Sammartino. He held the prize

for nearly a year -- the first wrestling villain to do so. But after he lost the title to wholesome Bob Backlund, Graham fell into a deep depression. He disappeared from the business, squandering his money and losing himself in a haze of drugs. In *Tangled Ropes* -- co-written with Keith Elliot Greenberg -- Superstar Billy Graham tells a story that transcends his life in the wrestling profession, offering candor, nostalgia, inspiration, and humor. Graham's narrative is supplemented by anecdotes from personalities like Vince McMahon, Jesse Ventura, Ivan Koloff, Ric Flair, Dusty Rhodes, and California governor Arnold Schwarzenegger.

The Gospel of Luke I. Howard Marshall, 1978-11-14 The Gospel of Luke was written, says its author, as an historical account of the ministry of Jesus. Not only would it serve as the basis for a sound faith on the part of professing Christians, but it would also claim a place for Christianity in history. Christ's ministry, as Luke shows, is realized prophecy; it is that time during which God's promise of salvation was fulfilled. His teachings, healing, and acts of compassion are all part of the good news. In Luke's Gospel, Christ's message of salvation is directed to the weak, poor, and needy, with an emphasis on the importance of self-denial and of whole-hearted discipleship. Thus, while Luke is the most conscious historian of the Gospel writers, his history is a vehicle of theological interpretation in which the significance of Jesus is expressed. In this commentary I. Howard Marshall calls attention to the theological message of Luke the Evangelist. His primary purpose is to exegete the text as it was written by Luke, so that the distinctiveness of Luke's Gospel may be seen. Basing his commentary on the third edition of *The Greek New Testament*, Dr. Marshall also refers to many variant readings which are significant in this study. He provides fairly full information on the meanings of the Greek words used by Luke and shows which words and constructions occur frequently and are therefore characteristic of his style. It is by this meticulous analysis of the Greek that Luke's theological intentions can be objectively determined.

The Prophetic Warriors Raphael Grant, 2021-06-01 The prophetic warriors are militant, spiritual commandos, regimented, they are fearless, bold and tenacious, they are not intimidated by the wiles of the devil and the Kingdom of darkness, and they are offensive and defensive in their assault against the satanic Kingdom. They have territorial dominion, movers and shakers, the worse nightmare of Satan and his kingdom, as you read this book get ready for impartation, revolution and another level in your walk with the Lord Jesus Christ.

Healing Thoughts William Branham,2005

Humility C. Peter Wagner,2011-08-29 If the summation of the gospel is to love God with all our hearts and our neighbor as ourselves, then the essence of how we fulfill that commandment is found in clothing ourselves in an attitude of humility. First we walk humbly with God; then we practice humility toward our fellow human beings. Becoming a humble person is God's will for every believer, but it is every individual's choice. If we do not choose to walk humbly but instead choose to exalt ourselves, God will humble us in a way that we would never have chosen. This character quality is so dear to God's heart that it is the key to walking closely with Him and finishing life well.

Raven Tim Reiterman,2008-11-13 The basis for the upcoming HBO miniseries and the definitive account of the Jonestown massacre (Rolling Stone) -- now available for the first time in paperback. Tim Reiterman's Raven provides the seminal history of the Rev. Jim Jones, the Peoples Temple, and the murderous ordeal at Jonestown in 1978. This PEN Award-winning work explores the ideals-gone-wrong, the intrigue, and the grim realities behind the Peoples Temple and its implosion in the jungle of South America. Reiterman's reportage clarifies enduring misperceptions of the character and motives of Jim Jones, the reasons why people followed him, and the important truth that many of those who perished at Jonestown were victims of mass murder rather than suicide. This widely sought work is restored to print after many years with a new preface by the author, as well as the more than sixty-five rare photographs from the original volume.

Under The Halo Rod Bergen,2025-02-11 Under The Halo is an examination of whether William Branham, a twentieth-century faith healer and evangelist, was a prophet of God as believed by an estimated 1 to 1.5 million followers who call his teachings the "Message." Written by a former Message member who shares his journey into and out of this cult, it's a well-researched review of the prophecies, visions, stories, and doctrines of William Branham—things that can't be questioned by those in the Message. Though most people today have never heard of William Branham, he had a significant influence on Pentecostalism and the Christian Charismatic movement. After his passing, zealous followers carried his sermons around the world. Today, the bulk of his followers are found in small pockets globally. Under The Halo will be illuminating for both former and present members of the Message, and those interested in the history of the healing revival of the 1940s and 1950s, or how fringe religious groups form and thrive. Under The Halo is more than an examination of the critical errors in William Branham's prophecies, credibility, and teaching; it also provides practical advice to anyone seeking to help members

leave the Message.

Hidden Bible Truths in Plain View Windell Gillis, 2019-01-22 Jesus Christ and the apostles, along with Polycarp, Ignatius, and Hermes, carried the true Word of God deep into the first church age. Yet Satan attempted to infiltrate the true path of the Word with help from unbelievers who were more than willing to do his dirty work. Because of this, the structural religious imprints left by ancient pagan civilization began to take a toll on the religious denominational world in such a subtle manner that it has gone unnoticed. In *Hidden Bible Truths in Plain View*, author Windell Gillis explains how since the Bible is the only real and perfect truth, Christian history can only be real and true if it agrees completely with the Bible. This history does! Messengers to the seven church ages, who are revealed here, were able to turn the people back to God in each age, if only for a season. With Philo having perverted the definition of the Logos, which changed the way people worshipped with respect to the Godhead, and with so much confusion in the religious world—as proven by the forty thousand different denominational groups today—something must happen! And it did! The revelation of Malachi 4 and Revelation 10:7 concerning the mystery of God is unveiled in *Hidden Bible Truths in Plain View*—to the shock of Christians worldwide.

Vicki Jamison-Peterson Frieda C. White, 2012-03 "Frieda White has penned a loving account of a life that was poured out for others. Frieda has captured within these pages an ordinary person whose life became extraordinary." —Germaine Copeland, Author of *Prayers that Avail Much* "Through the pages of this book we may very well see ourselves and be encouraged and cautioned simultaneously. It has something for everyone and it will at times touch hearts on the deepest level." —Dr. Jason Guerrero, Lead Pastor, Regency Christian Center, Int., Whittier, California "Frieda's previous books have been a great blessing to me, and this one is no different. I believe that as well as being fascinated by what you read in these pages, you will glean some important lessons that will aid you in finishing the race that is set before you." —Bayless Conley, Senior Pastor, Cottonwood Church Los Alamitos, California "Vicki is a must-read for every young girl and woman who wants to live out their complete destiny in God. Vicki is a compelling story of a woman used mightily in the gifts of healing and how her ministry was brought to an abrupt end because of 'one wrong choice.'" —Debra George, Houston, Texas "Frieda White is an experienced, dynamic Bible teacher under a mandate from God to help prepare and encourage both leaders and believers

to follow the leading of the Holy Spirit.” —Sandy Trice, Founding Pastor, Maranatha Church, Mont Belieu, Texas

The Indwelling james cardona,2006-01-02 Salvation is a process. A new believer is not born again into a perfect state of being. Once a person accepts salvation and the saving blood of Jesus Christ, they are only taking the first step on a long journey. The walk with God is a walk of change and development. The walk with God is a walk toward perfection as believers grows into the image of sons and daughters of God. Too many people stop after the first step. Too many people stop after giving their lives to Jesus, being baptized with water, or receiving some form of confidence that they will go to heaven. There is so much more! Do not stop! This book shows the path to a higher plane, a higher walk. Using direct references from the Bible and true personal stories, this book provides the necessary knowledge to receive the Baptism of the Holy Spirit and maintain a Filling of the Holy Spirit. Read this book to find out how! God will only take you as high as you are willing to go. It is up to you. This book shows you the differences between these different steps or levels and the benefits of attaining a higher level. There is a closer walk with God, the indwelling of the Spirit, and it is available to you right now.

The Contender Vol. 41 No. 5 Rev. Raymond Jackson,2009-07-15 I remember when Bro. William Branham preached the seals. Shortly after the seals were preached he said, I plan to bring a message on the trumpets next, but when the time came he said the Lord told me it is not time. This morning I would like for you to turn with me to the 6th chapter of Revelation. We are going to take these verses of scripture and place them out on the chart where they actually fit into the time factor. If you notice the 6th chapter, this was a chapter from which Bro. William Branham took all the texts when he preached on the seals up and through the sixth seal. If you notice the seventh seal does not follow in succession, like four follows three and five follows four.

Buried in Shades of Night Billy J. Stratton,2013-09-26 Billy J. Stratton's critical examination of Mary Rowlandson's 1682 publication, *The Sovereignty and Goodness of God*, reconsiders the role of the captivity narrative in American literary history and national identity. With pivotal new research into Puritan minister Increase Mather's influence on the narrative, Stratton calls for a reconsideration of past scholarly work on the genre--Provided by publisher.
