**After the People Lights Have Gone Off** Stephen Graham Jones, 2024-10-01 From the award-winning author, "the kind of collection that lodges in your brain like a malignant grain of an evil dream" (Laird Barron, author of *The Imago Sequence*). Winner of the This Is Horror Award Finalist for the Shirley Jackson Award Finalist for the Bram Stoker Award This is not your cookie-cutter horror collection. Stephen Graham Jones has taken nightmarish visions from his fevered imagination and crafted them into pieces of literary genius. If the absolute fear doesn't sweep you away, his lyrical and haunting prose will. As Joe R. Lansdale states in the introduction, "You need this book. If you like anything close to horror, and also like your stories to have elements other than just standing in the darkness with a bloody knife, you have the right book. Enjoy." Does holding your breath for two minutes during the scariest part of a horror movie invite the terror in? Just ask the kids who go to the

local theater in “Thirteen.” In “Doc’s Story,” even the most beloved family tales have teeth—that’s what happens when you’re born into a werewolf pack. And a father doesn’t have to think twice when he’s given one chance to make the ultimate sacrifice in “Snow Monsters.” In these fifteen stories, Jones coaxes our greatest fears from the shadowy corners of our minds, and we can’t turn away. “With razor-sharp prose . . . he pummels us in a full-court press of discomfort, paranoia, and a desire to keep the lights on.” —Pantheon Magazine “Jones is a true master of the horror short story. Inventive, quirky, unexpected and masterful.” —Jonathan Maberry, New York Times–bestselling author

That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It’s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. **Bad Man** Dathan Auerbach, 2018-08-07 Reddit horror sensation Dathan Auerbach delivers a devilishly dark novel about a young boy who goes missing, and the brother who won't stop looking for him. Eric disappeared when he was three years old. Ben looked away for only a second at the grocery store, but that was all it took. His brother was gone. Vanished right into the sticky air of the Florida Panhandle. They say you've got only a couple days to find a missing person. Forty-eight hours to conduct searches, knock on doors, and talk to witnesses. Two days to tear the world apart if there's any chance of putting yours back together. That's your window. That window closed five years ago, leaving Ben's life in ruins. He still looks for his brother. Still searches, while his stepmother sits and waits and whispers for Eric, refusing to leave the house that Ben's father can no longer afford. Now twenty and desperate for work, Ben takes a night stock job at the only place that will have him: the store that blinked Eric out of existence. Ben can feel that there's something wrong there. With the people. With his boss. With the graffitied baler that shudders and moans and beckons. There's something wrong with the air itself. He knows he's in the right place now. That the store has much to tell him. So he keeps searching. Keeps looking for his baby brother, while missing the most important message of all. That he should have stopped looking.

*The Last Lecture* Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

He just can't explain why he knows any of it. Another thing he knows is the location of the Chime. What it is or why it's important, he can't say. But this knowledge is about to get him in a whole heap of trouble, as a trash-talking, flesh construct bounty hunter is on his tail and looking to sell him to the highest bidder. And being able to describe the mating habits of Brazilian bark lice won't be enough to get him out of it.

**Heart of Darkness** Joseph Conrad,2023-11-21 Heart of Darkness is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country - even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857-1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella Heart of Darkness [1899], adapted into a film by Francis Ford Coppola in 1979 as Apocalypse Now.

**The Sun Also Rises** Ernest Hemingway,2024 The Sun Also Rises by Ernest Hemingway is a novel that follows a group of expatriates in post-World War I Europe, exploring themes of disillusionment, love, and the search for meaning. The story is narrated by Jake Barnes, an American journalist living in Paris, who is in love with the beautiful and free-spirited Brett Ashley. However, their relationship is complicated by Jake's war injury, which has left him impotent. The novel captures the Lost Generation, a group of disillusioned young people drifting through life. The characters travel from Paris to Spain,

experiencing the excitement of bullfighting and the emptiness that follows. Hemingway's minimalist style reflects the emotional detachment of his characters, and the novel delves into themes of aimlessness, unrequited love, and the struggle for fulfillment in a world that has lost its moral compass--Back cover.
